Course Code & Title	21FATU0001: FINE ARTS							
Programme	B.B.A.	II Semester						
Course	Credit: 1	Hours: 1/ Week						
Objectives	This is a course that is evolving with the intervention of stu	udents.						
	 The whole emphasis here will be to introduce students to allow them to critically evaluate, the theories and interpand architecture that have largely stemmed from cultural p 	retations of art						
Units	Contents	No.of Hours						
I	Art History and Aesthetics: What is art and what is art History? What constitutes art and how do we define it? The Programmeical Concept of art. Theory of Art as Expression. Aesthetic theories of Art.							
II	Art: Do art and architecture perform functions and have a role to play in society? The role and importance of the museum as a site for cataloguing and preserving art, and projecting certain defined notions that have a bearing on the study of art and architecture will also be focused upon.							
III	Indian Architecture: Prescriptive texts and the making of early Indian art and architecture. Was the 'science' of art and architecture developed as a concomitant of the artistic and architectural developments in early India?							
IV	Types of Architecture: Domestic (dwellings), public institutional (step-wells, rest-houses, hospitals) and religious institutional (temples, stūpas/ caityavihāra, maṭhas) will be focused upon. The focus will be on the material sources at particular monument sites such as Sanchi, Amaravati, Ajanta, Ellora, Khajuraho, Tanjavur, Mahabalipuram, Sravana Belagola, Bhubaneshwar and Mount Abu. (There may be other sites added or dropped from this list depending on the newer literature available.)							
V	Trends and Developments: How do we understand the different structures that emerge over a long period of time within a monument or when a monument no longer has a living significance for the people in its vicinity? Are symbols remnants of the primitive mentality or do they also evolve over time? How do we understand ornamentation? Finally, is there an Indian art and architecture?

METHODOLOGY

Credit: 4

Students will be facilitated to visit the adopted Villages / industries for undertaking field / extension work as a part of curriculum as per the schedule decided by the department.

The faculty in-charge of this course will be responsible for making the students to prepare a report with photographs / short videos in addition to field reports wherever necessary.

Evaluation

The course evaluation is fully internal. It will comprise of PPT presentation after submission of the extension visit reports which will be followed by viva-voce examination. The faculty in-charge shall submit the marks to the HoD after conducting the PPT presentation and viva-voce.

The marks will be awarded based on the report, PPT presentation and viva-voce as details below.

Report and PPT Presentation : 25 Marks

Viva-voce : 25 Marks

Total : 50 Marks
