11th August, 2017

Dear Sir/Madam,

We are Consortium for Educational Communication (CEC) – an Inter University Centre of Electronic Media set up by University Grants Commission (UGC), with its 21 Educational Multimedia Research Centres (EMRCs) spread across the country. We are not only engaged in the production of Higher Educational Multimedia content but also in its dissemination through various channels while also focusing on ICT environment building in the country.

We are pleased to announce that we are accepting entries from individuals/institutions for our annual **Documentary Film Festival – Prakriti -2016-17**. The festival is an attempt to spread awareness about Environmental, Developmental and Human Rights insights & issues through the artistic and effective documentary format. The festival is non-competitive and travels to different places each year. Some of the venues in the past have been Hyderabad, Goa, Pondicherry, Calicut, Kolkata and recently being Chandigarh.

We would be accepting entries for any documentary film produced between January 1, 2016 and December 31, 2016 in 3 categories – **Environment, Development and Human Rights** with only one entry acceptable in each category per participant. An eminent jury will select the documentaries to be shown before an engaging audience of students, academics, filmmakers and other stakeholders invited at the festival. A participant, if his/her film is selected for the film festival, he/she would be given AC-II fare for reaching the festival venue. Also, lodging and boarding at the festival would also be taken care of by the organizers.

The last date for receiving the entries is **September 25, 2017**. Details and entry forms for participation are available on www.cec.nic.in or e-mail us at prakritifest.cec@gmail.com.

I am looking forward to hearing from you!

Regards,

Dr. Shatruddha
