Dear Sir / Madam,

After the grand success of four International Conferences on Production and Industrial Engineering (CPIE 2007, CPIE 2010, CPIE 2013 and CPIE 2016); Dr B R Ambedkar National Institute of Technology, Jalandhar in academic collaboration with Global Institute Of Flexible Systems Management (GIFT), New Delhi is going to organize 5th International Conference on Production and Industrial Engineering (CPIE 2017) scheduled to be held on December 18-22, 2017 at Bangkok (Thailand). The 5th International Conference on Production and Industrial Engineering (CPIE 2017) is being organized to bring researchers and experts from academia and industry on a common platform to discuss the latest technologies and managerial issues in the field of Science, Technology and Management. The Conference shall provide an opportunity to academia and industries to disseminate/ share the information on most recent and relevant research fields, theories and practices in the areas of Production Engineering, Industrial Engineering, Manufacturing Technology and Industrial Management. The Conference deliberations are being structured to cover the following themes (but not limited to):

- Machining Conventional
- Micro/ Nano /Non-Conventional Machining
- Additive manufacturing
- Casting and Forming
- Joining Processes (Welding)
- Vibrations and Acoustics (Condition monitoring)
- Materials and Processing
- Product Design and Development
- Industrial Automation, CAD/CAM and Robotics
- Non-Conventional Energy
- Sustainability in Manufacturing
- Reliability and Maintenance Engineering
- Technology Change
- Agile Manufacturing
- Modeling and Simulation
- Logistics and Supply Chain Management
- Human Factors Engineering
- Advanced Operations Management
- Computers in Industry
- Other Allied Topics

All accepted papers will be published in printed conference proceedings (ISBN) and the selected papers will be published in the some reputed International journals:

We solicit your active participation in this International Conference by way of contributing your research papers.

We also request you to kindly forward this mail to your friends/colleagues/students in your Institute/other Institutes /Colleges /Universities for wider publicity and participation.

Looking forward for your cooperation.

For more details, please visit the website: <http://cpie.ind.in/>

Regards

Dr. Rajeev Trehan

B.Tech (Mechanical), Ph.D (Industrial Engineering)

Assistant Professor (Faculty - Department of Industrial and Production Engineering)

Center of Training and Placement

Dr.B R Ambedkar National Institute of Technology Jalandhar
