To

All the Deans/HODs/Directors  
GRI, Gandhigram.

I am to inform that the online registration for Admission for the year 2018-2019 has already started. The students for all post Graduate Programmes (including P.G.Diploma) and B.Tech. programmes are selected only through the Entrance Test. As followed in the last year admission, this year also an uniform pattern of question papers is to be adopted for the Entrance Tests, for which, the following points are brought to the notice of all the HODs/Deans/Directors.

1. There will be an Entrance test for all the PG programmes (including PG Diploma) and B.Tech Programme.
2. All the Entrance tests will be conducted with **90 questions** for **Two Hours**, duration.
3. All the questions must be only of objective type with only four options marked as A), B), C), D).
4. Of the options given for each question, there should be only one correct answer.
5. Other type of questions such as Fill in the Blanks, True or False, Match the following etc. will not be accepted.
6. Negative mark for wrong answers shall be there. For each wrong answer 0.25 (1/4) marks will be deducted.
7. Since separate OMR sheets are going to be used, there is no need to provide a separate space in the question paper for writing the answers.
8. **Two sets of question papers** (with equations, symbols, figures, graphs etc..) for each programme must be neatly typed/copied and given in a **CD on or before 12.05.2018** to the office of the Controller of Examinations in a sealed cover marked with "Confidential". **The key also must be prepared and given in the form of soft copy.**
9. The pattern strictly to be followed is attached herewith for your convenience.
