- Spatial & Graph Databases Broucher 1.pdf (~7.4 MB)

Dear Sir/Madam,

Greetings from Department of Comp Engg & IT, VJTI Mumbai !!

It gives me immense pleasure to share you that, we, the Faculty Development Centre of VJTI Mumbai, organizing **MHRD-PMMMMNMTT sponsored one week FDP on "SPATIAL AND GRAPH DATABASES"** during 15 - 20 JAN 2019.

The participants wishing to attend the FDP can register online by 13 Jan, 2019. For more information, please see the attached brochure and the workshop page link provided herewith.

The aim of this FDP is to provide insights on empowering the teachers with required skills and competencies to teach Geo-Spatial and Graph Databases, also to introduce elements of geo-spatial technologies, geospatial data management and capabilities for spatial analytics. The case study based approach is adopted to develop an understanding and capacity building of geospatial and graph databases, tools and technologies.

Please circulate this email to reach to the right aspirants wish to register for this FDP in order to build his/her capacity in the Geo-spatial and Graph database domain.

The brochure and online registration is available on the [www.vjti-fdc.in](http://www.vjti-fdc.in)

Looking forward to your participation

Warm Regards,

Dr. V B Nikam,  
FDC Coordinator (PMMMMNMTT),  
Head of Department (Computer Engg & IT)  
VJTI, Matunga  
Mumbai - 400 019
