AICAI'2019 Call for Papers (CFP)
Amity International Conference on Artificial Intelligence
February 4-6 ,2019
Amity Institute of Information Technology, Amity University Dubai Campus

IEEE CONFERENCE RECORD NUMBER 45948
(https://conferences.ieee.org/conferences_events/conferences/conferencedetails/45948)

Original papers are invited from research scholars, academicians, students and Industrialists. The topics of the Conference would include but not restricted to: Neural Information Processing Systems, Pattern Recognition, Computation Intelligence, Disruptive Technologies, Recommender Systems, Sentiment Analysis, Deep Learning And Real World Applications, Intelligent Transportation System, Natural Language Processing, Pervasive Computing And Ambient Intelligence, Machine Interface, Learning And Adaptive Systems, Social Human-Robot Interaction, Demining Systems, Intelligent Robots And Systems, Mechatronics, Computer Vision Algorithms And Technologies, Multi-View, Stereoscopic and 3-D Processing, Virtual Reality, Computational Geometry, Action Recognition, Recognition: Detection, Categorization, Indexing and Matching, Multimedia And Cognitive Informatics, Information Retrieval, Knowledge Representation And Reasoning, Big Data Analytics, Knowledge Processing, Biomedical & Medical Informatics, Compression, Transmission, Storage, Intelligent Signal Processing, Motion And Tracking, Filtering, Transforms, Multi-Resolution Processing, Restoration, Enhancement, Super-Resolution, Multi-Temporal And Spatio-Temporal Processing, Medical Image And Video Analysis, Computational Imaging, Image Processing for VR Systems, Image Processing For Autonomous Vehicles, Internet-Of-Thing, Intelligent Virtual Agents, Wireless Sensor Networks, Software Defined Networks, Smart Cites, Intelligent Networks, Intelligent Transport System and Smart Vehicles, Distributed Intelligent Systems, Cyber-Physical Systems And Security, Quality Assurance, Reliable And Secure Communications, Software Testing, Software Reliability, Power Systems Reliability, Reliability And Maintenance Models, Fault Tolerance In Hardware, Intelligent User Interfaces, Complex, Intelligent And Software Intensive Systems, Biological Inspired Algorithms in Software Reliability, Intelligent Interfaces.

Submissions: Submissions must be of original contributions and should not have been presented or published anywhere. Authors of the accepted papers must guarantee that at least one of the authors will attend the conference and present the paper. Paper should not exceed 6 pages following the IEEE format.

Conference papers will be submitted to IEEE Xplore (EI Compdex and SCOPUS indexed).

EasyChair paper submission link: <https://easychair.org/conferences/?conf=aicai2019>

Important Dates:

Last date for receiving full paper(Extended Date) November 10, 2018
E-mail notification of paper acceptance November 30, 2018
Last date for receiving camera-ready paper with modifications December 10, 2018
Special Issues of the following SCOPUS & ESCI indexed journals will be brought out from the extended versions of the selected conference papers:

- International Journal of Reliability, Quality and Safety Engineering, World Scientific Emerging SCI, SCOPUS, Compdex, Google Scholar, etc.
- International Journal of System Assurance Engineering and Management (IJSDEM), Springer SCOPUS, INSPEC, Google Scholar, DBLP, EI-Compdex, Emerging Sources Citation Index, SCImago, etc
