S. No	Date	Name	Nature	Name of the Research Supervisor	Title of the Presentation
1.	14.12.2017	Ashish Kumar	Part-Time	Dr. P. Shanmugavadivu	Skin Detection and Machine Vision
2.		A. S. Joseph Charles	Full-Time	Dr. P. Kalavathi	Link Quality Based RPL Routing for IoT
3.		P. Chitra	Full-Time	Dr. M. Mary Shanthi Rani	Clustering Techniques
4.		S. Lakshmanan	Full-Time		Data Hiding using Spiral order technique
5.		L. S. Swasthimathi	Part-Time	Dr. S. Sivagurunathan	Spark and Scala
6.		A. Sebastian	Full-Time		Resource and Trust Aware RPL for Internet of Things
7.		V. Muthu Ganeshan	Full-Time		Taxonomy of IoT Protocols
8.	15.12.2017	R. R Meenatchi Aparna	Part-Time	Dr. P. Shanmugavadivu	Medical Imaging using pipelining and Multiprocessing
9.		T. Priya	Full-Time	Dr. P. Kalavathi	Curvelet and Ridgelet for image segmentation
10.		S. Boopathiraja	Full-Time		Analysis of Three-Dimensional Images
11.		S. Naganadhini	Full-Time		Detection of Alzheimer Disease in Human MRI Head Scans Using Spatial Fuzzy Clustering with Level Set Method
12.		P. Sriramakrishnan	Full-Time	Dr. T. Kalaiselvi	Brain abnormality detection from MRI of Human Head Scans using the Bilateral Symmetry Property and Histogram Similarity Measures
13.		C. Kirubakaran	Full-Time	Dr. N. Senthilkumaran	MRI Brain Image Segmentation using Edges
14.		J.Thimmiaraja			Threshold – based Image Classification Methods

It may be noted that the presentation in RQC by Research Scholar is mandatory as per the guidelines of GRI. The Research Scholars are asked to adhere the above schedule without FAIL. Those who have not made their presentation as per the above schedule are asked to get prior permission well in advance from the RQC Coordinator and Head of the Department.
