Education:

S.N	Qualification	Trade / Discipline	Year of Completion	% Marks
1	SSLC			
2	HSC	General / Vocational		
3	ITI			
4	Diploma			

It is certified that the above information is true to the best of my knowledge.

Date : Signature

**Starting Date : Batch 1 : 01.11.2017 ; Batch 2 : 02.01.2018**

**Application Last Date : Batch 1 : 27.10.2017 ; Batch 2 : 15.12.2017**

**Objective:**

The Programme has been designed with a prime objective to develop skilled workforce in the field of Solar Photo Voltaic System covering designing, component procurement, installation & commissioning, operation and maintenance including technical support services with full practical and hands on training.

**Essential qualification:**

The candidate (Male / Female) with ITI (after 10<sup>th</sup> Pass) in Electrician / Wireman / Electronics or Diploma in Electrical / Electronics, Mechanical with minimum 18 years of age are eligible to apply for the course.

The female applicants along with SC/ST/OBC shall be given preference in the selection criteria.

**The Engineering Graduates and persons with other higher qualifications are not eligible to apply.**

**Certification:**

After completion of the course through third party (SCGJ- Skill Council for Green Jobs) evaluation, the successful candidates shall be awarded certificates with at title of Certified Suryamitra for Integrated Solar PV Technician's course.

The skill what they will attain out of this course shall make them employable in the field of solar energy in both the areas i.e Solar Component Manufacturing as well as Solar PV Projects.

**Course Fee:**

This course is Free of any fees or any other kind of charges. The accommodation on shared basis along with foods etc., shall be provided by GRI with its premises. The candidate shall also be provided with the NISE specified uniform.

Printed Application along with Xerox copy of all relevant certificates should be forwarded to:
