Dear Sir/Madam,

Greetings from VIT University, India

You will be happy to know that VIT University is organizing the “World Summit on Advances in Science, Engineering and Technology” at University of Cambridge, UK during January 4 – 6, 2018.

VIT University, a premier University of India known for its Science, Engineering and Technology education, is organizing this Conference in UK. We have MoUs with some of the UK Universities and a strong Alumni cell in UK. We want to meet them and some of the renowned academicians, scientists and engineers of the rest world in Cambridge to discuss on further improvement of SET (Science, Engineering and Technology) research. Here is the Conf, Link...
