We are a Govt approved Material testing lab based in Noida (Atharva Laboratories Pvt Ltd)

I am looking for 20 diploma /Graduate food technology/ food science/ microbiology students to place with a project I am doing with Indian Railways.

10 position in south and 8/10 position in north and east.

one year on training with fixed stipend and then confirmation with market equivalent salary (based on the performance during training)

kindly ask interested candidates to revert asap at info@atharvalab.com and atharvalabpvtltd@gmail.com

Thanks
