Dear Educator,

Miss Climate Pageant is an International Environmental Event intending to use the Beauty Pageant as an effective tool to promote awareness of Climate Change.

This pageant is in search for the most beautiful women of the Climate Change to serve as a role model dedicated to hold the advocacy to preserve and restore the environment & impact of Climate Change.

CLIMATE CLEAN also believes that Beauty Queens Pageant would be a great and effective way to promote the impact of Climate Change.

To give life to this vision, Climate Clean has decided to host MISS CLIMATE Beauty Pageant, a beauty event whose participants and winners will be actively promoting and getting involved in the preservation of the environment and impact of Climate Change.

Apart from a strong emphasis on the impact of Climate Change programs, MISS CLIMATE also aims to showcase and promote Green Schooling Concept to create a new generation of Climate Champions.

Every year, 30 candidates from all over the World would be competing on Beauty and Knowledge of environmental issues.

The winner of MISS CLIMATE will serve as the Ambassador to Climate Change awareness campaigns Worldwide.

MISS CLIMATE would continue to build its reputation as the most relevant Pageant with a cause, setting a legacy of beauty with responsibility.

We know that, many Women Admire and Aspire to be a BEAUTY QUEEN.

INVITATION FOR AUDITION

To,
The Vice-Chancellor,

Sub: Invitation for your students to join the Global Campaign for Climate Change by participating in the Audition of Miss Climate - 2018

Dear Educator,

CLIMATE CLEAN is a Global Zero Carbon Lifestyle brand, promoted by Green Mentors - company promoting a global campaign for Climate Change through Education, Fashion and Beauty Pageant.

MISS CLIMATE - Beauty with Responsibility 2018 is the first global environmental event intending to create an awareness about Climate Change through hosting a Global Beauty Pageant.

The Global Beauty Pageant is a search for the most beautiful women to serve as a role model dedicated to hold the advocacy to preserve and restore the environment and impact of Climate Change.

MISS CLIMATE invites those students, having interests in environment around them and concerns about Climate Change to participate in the audition.

MISS CLIMATE would continue to build its reputation as the most relevant pageant with a cause, setting a legacy of beauty with responsibility.

Winners of this Beauty Pageant will serve as Global Ambassadors of Climate Change.

Keeping this in mind, we hereby request you to inspire your students to participate in this MISS CLIMATE audition.

Please login on www.climateclean.green for registration or call on 079 49000160.

Regards,
Virendra Rawat,
