To

All the Deans/HODs/Directors
GRI, Gandhigram.

I am to inform that the online registration for Admission for the year 2019-2020 has already started. The students for all Post Graduate Programmes (including P.G.Diploma) and B.Tech. programmes are selected only through the Entrance Test. As followed in the last year admission, this year also an uniform pattern of question papers is to be adopted for the Entrance Tests, for which, the following points are brought to the notice of all the Deans/HODs/Directors.

1. There will be an Entrance Test for all the PG programmes (including PG Diploma) and B.Tech. programme.
2. All the Entrance Tests will be conducted with **90 questions** for **Two Hours** duration.
3. All the questions must be only of objective type with only four options marked as
   A) B) C) D)
4. Of the options given for each question, there should be only one correct answer.
5. Other type of questions such as Fill in the Blanks, True or False, Match the following etc. will not be accepted.
6. Since separate OMR sheets are going to be used, there is no need to provide a separate space in the question paper for writing the answers.
7. A minimum of **two different sets of question papers** (with equations, symbols, figures, graphs etc..) for each programme must be neatly typed/copied and given in a **CD on or before 04.05.2019** along with a **hard copy** to the office of the Controller of Examinations in a sealed cover marked with "Confidential". **The key also must be prepared and given in the form of soft copy and hard copy**.
8. Question papers submitted after the last date or with only one set will not be accepted at any cost and Exam Section will not be able to conduct the Entrance Examination for those programmes.

THIS MATTER SHALL BE GIVEN **TOP PRIORITY**.
