❖ List of Major Equipment/Facilities in each Laboratory/Workshop and Experimental setups:

Course	Name of the Laboratory	Lab / Major Equipments
CIVIL ENGINEERING	B.TECH. LAB	Strength of materials, environmental, soil mechanics, energy engineering, fluid mechanics, survey,
MASTERS IN BUSINESS ADMINISTRATION (GENERAL MANAGEMENT)	MBA LAB	Computer PII, LCD Projector, Headphone
RENEWABLE ENERGY	SOLAR ENEGY LAB, WIND ENEGY LAB, BIO ENERGY LAB, ENERGY AUDITING INSTRUMENTATION LAB	TEST RIG FOR SOLAR THERAL, CONCENTRATING, PV, WIND TURINBE, BIO GAS UNIT AND ANALYZER, GASIFIER, PR
TEXTILE TECHNOLOGY	TEXTILE LAB	HT HP Beaker dyeing Machine,Padding Mangle,Tensile Tester,Over lock sewing machine
MCA	Computer Programming laboratory	Programming Machine (Desktop Computers)

- **Computing Facilities:** <https://www.ruraluniv.ac.in/gri?CC=about>

Computer Centre established in the year 1989 is the Central hub for ICT related services for our institute. With the commissioning of Campus-Wide network via National Knowledge Network (NKN), Computer Centre is in a unique position to serve the university for all its ICT needs. Through Campus Wide LAN 838 nodes are connected using more than 100 switches, OFC and UTP cables.

- ❖ Internet Bandwidth: 100 Mbps
- ❖ Number and configuration of System: 200 Nos.
- ❖ Total number of systems connected by LAN: 200 Nos.
- ❖ Total number of systems connected by WAN: 200 Nos.
- ❖ Major software packages available: MS Office, Talley, Avid Mojo, Solar Pro, PV_Sol, T_Sol
- ❖ Special purpose facilities available (Conduct of online Meetings/Webinars/Workshops, etc.):
 1. Three ICT based Seminar Hall
 2. Two Auditorium with ICT tools
- ❖ Facilities for conduct of classes/courses in online mode (Theory & Practical)
 1. Each department having separate facility for lecture capturing and demonstration of practical classes.

- **List of facilities available**

- Games and Sports Facilities: <https://www.ruraluniv.ac.in/facilities?content=phyedu>

Outdoor facility

- ✓ Basketball court
- ✓ Ball badminton court
- ✓ Cricket Oval
- ✓ Football field
- ✓ Kabaddi Court
- ✓ Kho-Kho court
- ✓ Volleyball courts
- ✓ 400 mts standard track (mud track)

Indoor facility

- ✓ Shuttle badminton Court (cement)
- ✓ Chess
- ✓ Carrom
- ✓ Table Tennis

Other Facility

- ✓ 16 station gym for men
- ✓ 4 station Gym for women

- Extra-Curricular Activities

- ✓ Eco Club

- Soft Skill Development Facilities

- ✓ Approved training center for Suryamitra, Varunmitra, Vayumitra , Jal Urja Mitra, PM Surya Ghar: Muft Bijlee Yojana (PMSGY).

2. Teaching Learning Process

- Curricula and syllabus for each of the Programmes as approved by the University:

S.No	Name	Curricula and syllabus
1	Diploma in Textile Technology	https://ruraluniv.ac.in/includes/academics/faculties/dept/10/pdf/DTT20242025.pdf
2	M.Tech Renewable Energy	https://ruraluniv.ac.in/faculties?department=REC_programmes

- Academic Time Table with the name of the Faculty members handling the Course
- Teaching Load of each Faculty
- Internal Continuous Evaluation System and place
 - ✓ The Departmental Committee will monitor the progress of the courses being offered by the department, discuss and identify problems relating to curriculum, syllabi, conduct of classes, evaluation procedures, etc. The feedback regarding coverage of syllabus, conduct/evaluation of the tests under Continuous Formative Assessment (CFA), confidence level of understanding the course(s) may be based on a standard questionnaire administered by the student representative (curricular) prior to the meeting and its statistically deduced conclusion communicated to the Chairperson of the Departmental Committee for discussion at the meeting.
 - ✓ For this purpose, the Departmental Committee along with the students will meet once every semester, 10 days after the second CFA.
 - ✓ There will be separate Departmental Committees for the undergraduate and the postgraduate programmes of a department.
 - ✓ The minutes of the Departmental Committees will be discussed in the meeting of HODs and Deans.

20. Best Practices adopted, if any https://www.ruraluniv.ac.in/aboutgri?content=best_practices

1. Daily Prayer

- a. All working days of Institute (except during exam days) begin with the congregation of students and staff members at Bell Maidan, to join morning prayer at 9.15 a.m. Such congregation has a refreshing and renewing effect on the minds and hearts of those gathered under the canopy of the vast peepal tree. The Prayer begins with a spiritual song meant for each day of the week, followed by a reading of an evocative ‘thought for the day’. Significantly, the prayer songs and recital of inspirational quotes from eminent thinkers are performed by students of different Departments that are designated, on a rolling basis, to organize the Daily Prayer for one week every semester. This develops artistic, public speaking and organizational skills in the students. This immensely unique activity happens in a highly decentralized manner with the organizing Departments enjoying absolute autonomy in deciding the content and identifying the student performers.
- b. The occasion of the prayer is also used for making important announcements, felicitating academic/sports achievers and introducing renowned guests/visitors who have visited the Institute and chosen to participate in the morning prayer. The Daily Prayer, by bringing students and staff together, personalizes the relationship between students and staff as well as among students of different programmes, even, as it reaffirms a sense of belonging to GRI in them.

2. Inter-religious Prayer

- a. Inter-Religious Prayer and Inter-Faith Dialogue are the cherished ideas of Gandhiji to promote communal harmony and peaceful co-existence. Deeply inspired by this ideal, Gandhigram Rural Institute encourages the assembly of all its staff and students on all working Fridays at 4.00 pm, in the hallowed Multipurpose Auditorium of GRI for Inter-Religious Prayer. Organized and managed entirely by the students of the Institute, this solemn activity involves singing devotional songs of all major faiths, alternated by recital

of selected verses from Bhagavat Gita, Holy Quran and Holy Bible. Occasionally, religious leaders professing any one of the major faiths are invited to deliver talks and lectures in an effort to promote inter-faith understanding. What had begun as a prayer programme, has, over a period of time, evolved into a GRI community get-together, to share and brief the GRI activities to one another. Hence, latter half of the programme is devoted to informing the significant happenings and notable achievements of the different Departments of the Institute in the form of a news compilation called ‘GRI Valam’ (GRI Roundup).

3. Daily Flag Hoisting

- a. None has extolled the power of the Flag to unify diverse population of India, more powerfully than Mahatma Gandhi. Similarly, none had spent more time and written more in designing the Flag, than Gandhiji during heydays of Freedom Movement of India. Our National Flag today is deeply influenced by the inputs that Gandhiji had meticulously provided, during the pre-independent Days.
- b. Hence, it is small wonder that Gandhigram Rural Institute, having been founded on the principles of Gandhiji, pays rich tribute to our National Flag by ceremonially and solemnly hoisting it at 8.00 AM every day at the historic Bell Maidan, thereby aspiring to instill patriotic spirit in all the stakeholders of the Institute, and as a mark of respect for all the freedom fighters, who fought for us to enjoy the right to hoist and salute, our own National Flag.
- c. Indeed, the morning ceremonial activities of the Institute starts with solemn hoisting of the National Flag of our great Nation, in strict accordance with the procedures spelled out by the Government of India, followed by Morning Prayer at 9.20 AM, before commencement of regular academic activities at 9.30 AM.

4. Shramdhan

- a. The Gandhian concept of Nai Talim (Basic education) is built on the foundational idea that knowledge and work (understood as physical labor) are organically linked and derive their essence from one another. Shramdhan (Serving by laboring) is a Gandhian way of celebrating physical labor. Right from its inception Gandhigram Rural Institute has accorded Shramdhan a pride of place in its corporate life as well as in its curriculum. Every week, an hour's time of class work is set aside for Shramdhan activities in the time-table of all Diploma, UG, and PG programmes. During this hour, all students, scholars and staff enthusiastically and collectively engage themselves in cleaning of class

rooms, offices, laboratories as well as the surrounding areas of the Departments. Besides undertaking cleaning work, tree planting, gardening and landscaping works are also taken up by them on days of national and international importance such as World Environment Day, World Earth Day, and the like. Shramdhan activities invariably generate deep respect for physical work in the minds of students and staff, in a society that tends to unjustly place higher value in mental work. In recent years the central Government's 'Swachh Bharath Mission' has given a new flip to the Shramdhan activities in GRI.

5. Gurukula

- a. Gurukula (Mentoring) system is as old as Gandhigram Rural Institute and is part of GRI ever since its inception in 1956. It is an age old system under the traditional educational world and it was operated in the original rural institute at Gandhigram. Further, the system has been continuing even after the declaration of the university status in the year 1976. All the Teachers and students, known as Gurus and Shishyas were soaked under the Gurukula System. Every Guru is made responsible for building and molding the character of individual student with a view to uproot one of the social sins, “education without character” as identified by Mahatma Gandhi. However, the total personality of the students was shaped by Gurus under the educational system evolved by the founders of Gandhigram Dr.T.S.Soundaram and Dr.G.Ramachandran - the founder Vice-chancellor of Gandhigram Rural Institute. It is envisaged that all-round development of the student in the Institute can take place through the Gurukula system. Such a system will no doubt shape the personality of the future generations. The Gandhigram Rural Institute – Deemed University has been trying to follow the old system with some modifications based on its experiments and experiences with the above system.
- b. Each year, the students admitted under the graduate, Post-Graduate and M.Phil programmes are allotted Gurus. The number of shishyas allotted to each teacher is arrived at by dividing the total number of students in a class by the number of Gurus (Faculty Members) available in the concerned Department. The allotment is done fairly thorough a lot system to avoid arbitrary selections of shishyas. They meet the Gurus at the designated time (decided by each department and incorporated into the weekly timetable) each week to discuss their progress in studies, difficulties faced and other personal, interpersonal and career issues. These gurus also serve as their course advisor, career counsellor and as well-wisher.

6. Shanti Sena

- a. Shanthi Sena, (Peace Corps) in GRI was founded in 1958, 18 years before becoming a Deemed University. Since, GRI has always been a testing ground for many Gandhian

experiments, the founding father of GRI, Dr G. Ramachandran took upon himself the task of establishing within this institution of higher education a nonkilling alternative to military training—a Shanti Sena. Even when GRI, upon becoming a Deemed University, was presented with the choice to adopt National Cadet Corps (NCC), it chose to continue with Shanthi Sena instead. By doing it, GRI became the only educational institution in the whole of globe to have adopted this model.

- b. Combining spiritual, physical, intellectual, and organizational training, the Shanti Sena prepared students for conflict resolution, security functions, disaster relief, and cooperative community service in response to community needs. The approach is always to work together with villagers to improve such things as childcare, sanitation, housing, and preservation of folk arts traditions. The Shanti Sena in GRI until recently assumed responsibility for campus security. No armed police were permitted on GRI campus or if permitted they used to play second fiddle to Shanthi Sena, even during visits by Indian prime ministers Pundit Nehru, Mrs. Indira Gandhi, or Presidents Shri R. Venkatraman, Shri Abdul Kalam and other dignitaries. Besides providing security, when such dignitaries and prominent leaders visit the GRI campus, Shanthi Sena remains at the forefront in according them floral tributes and grand welcome.
- c. The six-decade long experience of Shanthi Sena in GRI includes taking initiatives in peace building, promoting democracy and governance by conducting peace dialogues, inter-religious dialogues, youth exchange programmes, youth camps, leadership training programmes, sports for peace programmes and prohibition (abolition of arrack) in the neighbouring villages. They are actively involved in emergency relief, peace education, environmental conservation and providing community-based health facilities in the rural areas nearby.
- d. Every year, many students of the Institute volunteer to become part of Shanthi Sena and carry rich experiences and fond memories with them when passing out from GRI.

7. Yoga

8. Gandhian Principles and Ideologies

- a. Students of this Institute study Gandhian life and experiments. Gandhian Ideologies, Gandhian Economics and Gandhian constructive programmes are incorporated in the curriculum. This enables them to develop tolerance and other ethical and moral values.

9. Village Placement Programme

- a. All the students of the Institute are placed in the neighboring villages for a period of seven days in each academic year. During their stay, the students understand rural environment,

undertake household surveys, and prepare reports for development activities. They conduct medical and health care and literacy campaigns. The students undertake Shramdhan activities every day during their stay in the villages.

10. Promotion of Khadi

- a. Students and staff wear khadi dress on Fridays in a week. Besides, Khadi shawls are used to honor guests in the university functions. Traditionally, the graduates and Chancellor, Vice-Chancellor and members of academic bodies wear khadi shawls and caps in the annual convocation event.
