# Executive Summary

## Introduction

The Gandhigram Rural Institute (GRI) traces its origins to 1947, the year of India's independence. Gandhigram, a village purposely named after the father of the Nation, was established by a team of disciples of Babuji, led by Dr.T.S.Soundram and Dr.G.Ramachandran with a view to providing higher education to the rural youth and to train them as social engineers who would serve the rural masses and contribute to the reconstruction of rural India.

The Gandhigram Rural Institute (GRI) was established in the year 1956, under the auspices of the National Council for Rural Higher Education (Ministry of Human Resource Development / Ministry of Education, Government of India) as one of the 11 Rural Institutes established in various parts of the country. Right from its inception, GRI has founded its educational principles on the revolutionary concept of *Nai Talim*, a new system different from the mainstream of western higher education in India, with extension as the central focus, linking teaching and research.

While all the other 10 rural institutes got affiliated to their neighbouring universities, GRI established its name by steadfastly pursuing its mission of taking higher education to the rural masses. This Institute has its genesis in the extension programmes conducted in the rural environs which made extension as the pivotal component of education.

GRI, since its inception, has been rendering yeomen service by empowering the rural populace through educational and extension services. The educational model blended with Gandhian ideologies was recognized as a pioneering practice to educate and train social architects for integrated rural development. In recognition of its noble and relentless services rendered in the realm of the triangulated dimension of higher education, namely, teaching, research, and extension, GRI was conferred with the status of a Deemed to be University in August 1976 by the University Grants Commission. The Institute is governed by the Ministry of Education, Government of India, and is fully funded by the University Grants Commission, New Delhi.

The curricular model developed at GRI integrating teaching, research and extension earned the Institute the status of a Deemed to be University in 1976, from UGC. GRI was one among the two universities in Tamil Nadu accredited with the Five Star Status by NAAC in 2002 (1<sup>st</sup> Cycle). Subsequently, it was accredited with 'A' Grade in the 2<sup>nd</sup> and 3<sup>rd</sup> cycles in 2010 and 2016 respectively. In the NIRF ranking ladder, the institute was placed in the rank band 151-200 among universities of the country in NIRF 2022; GRI has been ranked the rank band 101-150 in NIRF 2021, 91<sup>st</sup> in 2020, 75<sup>th</sup> rank in 2019, 79<sup>th</sup> rank in 2018 and 91<sup>st</sup> rank in 2017 among universities.

The functional framework of GRI is deep-rooted in Gandhian ideologies of education and extension and its core objectives are: *to provide instruction and training in such branches of learning as will promote a classless and casteless society; to provide for research and advancement and dissemination of framework; and to function as a centre for extension work leading to integrated rural development.*

GRI has eight schools, eighteen departments and nine centres, apart from the Central Library, Physical Education and DDU-Kaushal Kendra. Under this academic setup, GRI offers 62 academic programmes ranging from certificate courses to doctoral programmes. As per statutory requirements, select programmes offered by GRI are approved by AICTE and NCTE.

The quality of teaching and learning at GRI is assured by 107 well-qualified, experienced and committed faculty members. The vigour of research on campus is promoted by 526 research scholars and 3 post-doctoral fellows. As many as 77 permanent non-teaching and technical staff offer support to teaching, research and extension activities. To meet the needs of the ever increasing student strength, 150 Adhoc teachers have also been appointed.

## Academic Programmes

The curricular design of the programmes offered at GRI pivot on core and allied skill development of the graduating students with due provisions to imbibe social and cultural values and help the students emerge as social architects. The institute is determined to develop socially responsible and professionally

competent graduates to meet the demands for human resources in educational, industrial, research and development and social service sectors. The institute offers mandatory value-based courses on “Gandhi’s Life, Thought and Work” and “Gandhi in Everyday Life” in order to implant Gandhian values in the younger generation.

During 2022-2023, GRI offered 22 PG (2 years), 6 PG Diploma (one year), 2 Five-year Integrated, 5 UG (4 years), 11 UG (3 years), 8 B.Voc. (3 years), 3 Diploma (2 years), One Diploma (one year), 2 D.Voc. (1 year) and One Certificate programmes apart from B.Ed. Programme. The Institute follows the Choice Based Credit System (CBCS) regulations of the UGC. Out of the 1403 students who appeared for the End Semester Examinations, 1244 students passed, constituting a pass percentage of 89. The number of Ph.D. degrees awarded during the year was 88. The institute has been following the semester examination pattern since 1976. The Choice Based Credit System (CBCS) is in practice since 1996.

### **Admission**

Gandhigram Rural Institute adopted online admission system and was able to reach graduating aspirants from across the country and beyond, during 2022-2023. The number of applications received through online registration was 9723. Out of this, 1477 students were admitted to various academic programmes offered during the year. As in the previous years, female students have outnumbered male students. Though the majority of enrolled students are from Tamil Nadu, GRI has also attracted students from other states of India, namely the Bihar, Kerala, Lakshadweep, Pondicherry and Telengana West Bengal. The enrolment for Ph.D. programmes was 73. GRI follows the reservation policy of the Government of India as well as the norms laid by UGC. Admissions are strictly based on merit.

### **Funded Research Projects**

Funded projects are a functional entity of the research culture and climate of a higher educational institution. The faculty members of GRI submitted 82 project proposals to funding agencies, namely, UGC, DST, CSIR, ISRO, BRNS, IRMA, ICSSR, RGNIYD, DRDO, DBT, ICMR, PCRA, KSCSTE, NISE, AICTE, MNRE, NBHM and State Planning Commission, Tamil Nadu with a total budget outlay of Rs.23.42 crores. A sum of Rs.1.35 crores have been received during the period under report.

At the department level, five departments have received funds under UGC-SAP and two departments under DST-FIST (Level I & II).

### **Conferences / Workshops / Seminars Organized**

Being a vibrant educational and research hub, GRI regularly organizes a number of programmes to create platforms for knowledge sharing and dissemination on the latest trends and technologies. During the year under report, 111 programmes were organized viz., 3 International Conference, 2 International Workshop, 1 International Training / Special Lecture programmes, 5 International Webinars/Symposiums, 5 National Workshops, 7 National level Training / Special Lecture programmes, 6 National Seminars/Webinars, 7 State level Symposia / Seminars / Workshops / FDP, 3 State level Training / Special Lecture programmes, 5 University/College level Workshops, 5 Training / Special Lecture programmes, 6 University level Seminars / Webinars, 45 University level lecture programmes and celebrations and 11 Regional level sports meets. A total of 9738 participants, covering faculty members, scientists, research scholars, and students have benefitted through these programmes.

### **Participation in Conferences / Seminars/ Workshops / Faculty Development Programmes**

The faculty members are encouraged to augment their domain knowledge, share and upgrade their expertise by participating in academic and research platforms. They have participated in 145 such programs and have presented 77 research articles. Towards knowledge dissemination, faculty members delivered 68 keynote address and 197 invited lectures.

The Institute periodically arranges faculty development programmes and workshops aimed at quality enrichment. Nine faculty members attended Refresher Courses, five faculty members attended Short Term Courses / Orientation / Workshop and three faculty members attended Faculty Development Programmes conducted by Human Resource Development Centres of various universities.

## Research Publications

Research is an important dimension of higher educational institutions. In this regard, GRI is putting in its best efforts to enhance its visibility through quality research publications. The faculty members have brought out 270 publications in reputed and refereed journals, including those listed by the UGC during 2022-2023.

The bibliometric details of the publications up to 2024 are: 3309 Scopus (h-index: 100) and 2728 by Web of Sciences (h-index: 92). Additionally, 71 Conference Proceedings, 25 Books, 10 Edited Books and 83 Chapters in Books have been authored by the faculty members. GRI promotes research publication culture among the researchers through its two journals, namely, *Journal of Extension and Research* (ISSN: 0972-351X) and *Gandhigram Literary Review* (ISSN: 2278-8190).

## Visits Abroad & International Associations

The quality of research in GRI has been opening up newer avenues for collaborations / associations with Universities / Colleges overseas. One faculty member was invited to UCSI University, Malaysia during the year under report.

## Research Fellowships

A total of 67 research scholars received funds under UGC-RGNF, UGC-MANF, UGC-EMERITUS, UGC-DSRPFHS, UGC-SGC, UGC-PDFSS, UGC-PDFWM, UGC-JRF, UGC-SRF, CSIR-SRF, UGC-BSR, UGC-SVSGC, UGC-SJRPFGC, DST-PDF, DST-Inspire, ICSSR-PDF, ICMR and other schemes.

## MoUs and Collaborations

In 2022-23, GRI has signed 10 MoUs with reputed educational institutions / organizations in addition to 61 collaborations.

GRI has signed an agreement with National Database Management Limited (NDML) for uploading the students' credentials in the National Academic Depository (NAD), and as on date 8215 students have registered on NAD for which a link is provided in the Institute's website. From the year 2021-22 onwards, the NAD is being maintained through DigiLocker and 3077 registered under Academic Bank of Credits.

## Extension Programmes

The extension and outreach activities aimed at integrated rural development are the prime pillars of GRI. For this purpose, Village Placement Programmes (VPP) and Extension Activities are amalgamated suitably into the curriculum of all the programmes offered at GRI. The VPP greatly enables the GRI staff and students to get hands-on experience on the problems and challenges of rural life.

In view of Covid-19 situation students were not placed in the villages as part of Village Placement Programme (VPP) for the academic year 2022-23. However, GRI designed a process and obtained data from the students on their awareness of rural issues. It is considered as methods for "Experiential Learning" which is the prime goal of Village Placement Programme (VPP). The UG and PG students who were studying the academic year 2022-23 have participated in the survey. The survey was conducted through on-line.

As a national recognition, the Ministry of Rural Development, Ministry of Panchayati Raj and Ministry of Drinking Water and Sanitation of the Govt. of India have recognized GRI (DU) as a National Level Monitor (NLM).

## Unnat Bharat Abhiyan

UBA 2.0 was launched on April 25, 2018, with the Challenge Mode, wherein all HEIs are required to partner with a minimum of five villages willingly for community outreach. The Ministry of Human Resource Development, Government of India, identified the Gandhigram Rural Institute (Deemed to be University) as one of the Regional Centres for UBA in March 2019 covering the states of Tamil Nadu, Kerala, Karnataka, Andhra Pradesh, Telangana and the Union Territories of Puducherry, Andaman & Nicobar and Lakshadweep.

GRI has adopted nine villages from three Taluks under the Unnat Bharat Abhiyan (UBA) programme of the Government of India. Activities aimed at the upliftment of the adopted villages were carried out under UBA.

### **Sports, Games & Yoga**

To encourage and foster sports and games among the students of GRI, the Centre for Physical Education and Yoga trains the students for intra and intercollegiate sports tournaments. A course on *Sports and Games* is being offered as a foundation course for all UG students. Yoga Education is a non-credit mandatory course for the first year students. The sports teams of GRI won a number of sports / games tournaments at the state and the regional level.

### **Awards Won by Faculty**

Nine faculty members have received awards for their substantial contribution in the arena of Higher Education in terms of their contributions to academics, research and extension.

### **Governance**

The Honourable Union Minister of HRD, GoI, is the Chairman of the GRI Society. In 2022-23, the meetings of the Board of Management, the Planning and Monitoring Board, the Academic Council, the Finance Committee and the GRI Society were held.

### **Finance**

During the FY 2021-2022, GRI received Rs.672866007/- having opening balance of Rs.102779762/- under maintenance grant, against which the expenditure was made to the tune of Rs.720676280/-.

### **Summing Up**

GRI is constantly making its mark in every sphere of teaching, research and extension. Its credentials, recognitions, accomplishments and action-packed strategic plans would undoubtedly facilitate the institution to attain heights of excellence and reach new horizons of quality assurance and sustenance in higher education.

## Patents Published / Awarded (overall)

Name of the Faculty Member	Title of the Patent	Level*	Filed on	Published on	Granted on	Patent Status	Patent Number
Dr. K. K. Satheesh Kumar	An Efficient Anode Backfill Based on Ion Conducting Paste and a Process Thereof (App.No: 2536/DEL/2008)	N	07.11.2008	20.08.2010	25.07.2017	Granted	285572
Dr. A Thahira Banu	A Nutritional Rich Chocolate Composition (App.No: 157/CHE/2012)	N	13.01.2012	24.01.2014	11.09.2020	Granted	346611
Dr.K.Jayakumar	Histogram Based Vibration Signature Analysis for the Detection of Ball Bearing Defects non-deductive method invented to find the wear and tear of ball bearing (App.No: 1533/CHE/2015)	N	25.03.2015	30.09.2016		Published	
Dr.R. I. Sathya	System and Method of Apparel Pattern making using scalable vector graphic filters (App.No: 201641022083)	N	28.06.2016	29.12.2017	21.04.2022	Granted	395172
Dr.S.Abraham John	Colorimetric Metric detection of Endosulfan using 3 Amino – 5-Mecapto-1,2,4 – Triazole Capped Gold Nanoparticles (AMTR-AUNPS) (App.No: 201641022088)	N	28.06.2016	09.10.2020	01.11.2022	Granted	410687
Dr.P.Shanmugavadivu	Adaptive Performance Oriented Medical Imaging System (App.No: 201941027396)	N	09.07.2019	15.01.2021		Published	
The Gandhigram Rural Institute (GRI)	Design Application (App.No: 330931-001)	N	10.07.2020	17.06.2022		Published	
Dr.V. Kirubakaran	System for Auto-Gasification of Poultry Litter (App.No: 202141003297)	N	25.01.2021	05.02.2021	31.03.2022	Granted	393957
Dr.T. Kalaiselvi	An Image Processing for Artificial Neural Network using a Novel-e-Tanh Activation Function (App.No: 202141005055)	N	05.02.2021	12.08.2022		Published	
Dr.V.Kirubakaran	Method for Evaluating Liquid Dielectric Characteristics and Feasibility of Pongamia Pinnata Oil as Liquid Dielectrics (App.No: 2021100929)	I	18.02.2021	28.04.2021	28.04.2021	Granted	2021100929

Dr.S.Abraham John	A Method for Removing Highly Toxic HG(II) by Graphene Quantum Dots Coated Carbon Materials (App.No: 202141016448)	N	07.04.2021	20.05.2022	31.01.2023	Granted	419817
Dr.R. Ramasubbu	Design Application (App.No: 352204-001)	N	28.10.2021	17.12.2021		Published	
Dr.R.Ramasubbu	Heater Box face Mask For kills virus (SARS-Cov-2) and other pathogens (App.No: 364303-001)	N	17.05.2022	13.01.2023		Published	
Dr.V.Kirubakaran,	A System and process for predicting status of the transformer's insulating material and fault (App.No: 202241032399)	N	06.06.2022	17.06.2022	30.12.2022	Granted	415041
Dr.P.Balasubramaniam	System and Method for Generating Enhanced Image From a Low Contrast Image (App.No: 202341042226)	N	23.06.2023	01.09.2023		Published

## Extension through Community Outreach

The Gandhigram Rural Institute (Deemed to be University) is fully funded by the Ministry of Education, Government of India. The Institute has developed academic programs in rural development, rural economics and extension education, rural oriented sciences, co-operation, development administration, rural sociology, English, Tamil and Indian languages. The institute is also offering Engineering and Technology related academic and vocational educational programs.

The Gandhigram Rural Institute (GRI) is quite active on both campus and off campus (rural areas) in the vicinity, for mutually benefitting and enriching one another. Besides its contribution in teaching, from Pre-primary, certificate, diploma, degree and all the way to Post-doctorate levels, the Institute applies the learning from both scientific and social research to solve contemporary rural problems. The curriculum is a combination of theoretical, practical and extension approaches. The Institute has become home to many pioneering models of rural development programmes. The students and scholars who emerge from its portals tend to meet the personnel needs of rural development programmes under various governmental and non-governmental organizations.

The three dimensional approach of higher education namely teaching, research and extension has become a highly celebrated model, earning global and nationwide appreciation. Started in a small way the Institute has evolved into a reasonably large and expansive educational complex comprising of 8 schools, 16 departments and 12 Centres offering various academic and also vocational programs, ranging from certificate courses, to graduate programmes to doctoral and post-doctoral programmes.

The curricular model developed at GRI organically integrating teaching, research and extension components has earned the Institute, the status of Deemed to be University in 1976 by UGC, the five-star status by NAAC in 2002, 'A' Grade during the re-accreditation in 2010 by NAAC and 'A' Grade in its third cycle of reaccreditation in the year 2016.

Thus the Institute has been taking efforts to design its academic programs in tune with the demands of the society and industry by providing a learner-centric, transparent teaching and evaluation methods. Through the action-oriented research and scientific research, the Institute contributes substantially to the research domains and concentrates on solving the rural issues at micro levels. The participatory and decentralized governance of the Gandhigram Rural Institute strives for achieving global standard of excellence in all the dimensions of education without compromising on its rural character and Gandhian values.

In the context of sustainable development, rural extension has a very essential role to play. The responsibilities of Extension Service Providers (ESP) need to be comprehensive and holistic in contents and scope. It is more than just technology transfer. It normally aims at the task of disseminating appropriate technologies and good practices.

Any Higher Education Institute (HEI) as an Extension agency need to exercise a more proactive and participatory role and serve as knowledge and information "providers", initiating and facilitating mutually meaningful and equitable knowledge-based transactions among community, researchers, trainers, and other stakeholders. The new trends and developments to be integrated in rural extension are concerned with the fields of

- **Approaches and Methods:** Participation and other new approaches in adult education, farmer field schools, market orientation and value chains, livelihood concepts, knowledge and innovation systems;
- **Structures and Organizational Issues:** Privatization, decentralization, partnership and new dynamics in rural development;
- **Extension Aids and Media Use:** Ongoing digitalization, digital photography and video, classical internet services, including search engines, web services, opening up new dimensions of access to information, of e-learning and distance learning, and of networking among professionals as well as among clients.

In this context, it is pertinent to have an understanding of the field level experiences which the GRI as an Extension Service Provider (ESP) planned and managed the Field Outreach and Community Engagement Programmes during 2022-23 academic year. This year is recovery phase for many academic and field based programmes after COVID19 situation and the resultant lock-down for a long period. It is a major challenge for the various Departments in the GRI to plan and execute the field level

programmes. Hence, there were a few initiatives taken up during 2022-23 to reach the village community and also educate the students on the rural issues. This report is a collection of information on various efforts by Centres /Departments / Schools. The programmes and events as part of the Community Outreach are presented in the following framework, they are:

# School of Health Sciences and Rural Development

## Department of Rural Development

### Profile

The Department of Rural Development was established during the year 1988 as a prime wing of the Institute. The Department plays a crucial role in enabling the institute achieving its overall objective namely integrated rural development. The Centre for Development Studies (CDS) was formed during October 2017 under the School of Health Sciences and Rural Development. Again the centre has been restored as the department status from October 2021. The department offers two academic programmes namely M.A. in Rural Development Studies (RDS) and Ph.D in the same discipline.

### M.A. in Rural Development Studies (RDS)

The term "Development" broadly refers to the range of interventions that purport to advance and secure individual and social well-being in a sustainable and equitable manner. Improvement in the quality of life of rural people is the important agenda of rural development programme. Rural development implies both the economic betterment of people as well as greater social transformation. In order to achieve this, planned attempts have been made to eliminate poverty, ignorance and inequality of opportunities. A wide spectrum of programmes are being undertaken to alleviate rural poverty. The Ministry of Rural Development places importance now on health, education, drinking water, housing and roads so that the quality of life in rural areas improves and the fruit of economic reform are shared by all sections of the society. A forceful engagement with this domain needs trained human resources with varied backgrounds, capacities and interests and an ethical outlook that provides inspiration for development action. The department intends to contribute through its educational programmes to the knowledge and practice of rural development in India. It is recognized that development is not a unitary discipline but an integrative field that brings together understandings from the social and behavioral sciences, the humanities, science and technology within a framework of analysis, policy and institutional action.

This programme intends to prepare individuals capable of informed and thoughtful development action, empowered with awareness of the complexity, having depth of the discourse on rural development and contributing for policy and action with special reference to the Indian context. Further, an important feature of the above programme is that it attempts to equip the students with training in skills that they can put to use in any challenging situation either in the field or in the policy sphere. Our students are enabled to make smooth transitions from the world of studentship to the world of trained work.

# School of Social Sciences

## Department of Political Science and Development Administration

### Profile

The Department, started in 1956, has its focus on democratic decentralization and development administration. The Department of Political Science and Development Administration is a nationally known centre for its academic, research and outreach activities. The UGC under SAP (Special Assistance Programme) gives special grants to the department for research and academic activities. The Department has distinguished retired I.A.S officers and eminent academicians as Adjunct Professors. It has academic relationships with reputed institutions like Tata Institute of Social Sciences (TISS), Mumbai; Institute of Rural Management (IRMA), Anand; National Institute of Rural Development and Panchayati Raj (NIRD&PR), Hyderabad; State Institute of Rural Development (SIRD), Tamil Nadu; and Kerala Institute of Local Administration (KILA), Thrissur. It has a well equipped library, smart classrooms, seminar halls and computer labs for the use of students.

The Department of Political Science and Development Administration has been recognized by the UGC for its specialization on local governance under the scheme called “Special Assistance Programme” – the first step towards becoming advanced centre of research on local governance. It is a national recognition and a prestigious status. Now, the department is in the second phase of the programme. A number of research projects and seminars, workshops, exchange programmes are organised under UGC SAP DRS-II in the Department. All these help the students in developing their knowledge. Eminent academics are invited from different universities to deliver lectures under this scheme.

## Department of Sociology

### Profile

The establishment of the Department of Sociology coincided with the conferment of the Deemed to be a University status to the Institute in the year 1976 to carry out teaching, research and extension activities since its inception. Earlier the faculty of this department engaged in offering the only PG course with a thrust on Rural Society in the Institute namely M.A. in Rural Services in which Sociology was the major component. The nomenclature of this PG course was replaced with M.A. in RS&PR (Rural Sociology and Panchayat Raj). Later the same M.A. programme was changed as Rural Sociology and finally taking into consideration of the felt needs and future of the students, the PG course was modified and re-named as M.A. in Sociology in the year 1990. The M.A. (5Yr. Int.) Sociology programme was introduced during the academic year 2017-18 in the place of M.A.Sociology programme. The Ph.D. programme was launched in the year 1986 and the department has produced 30 Ph.D. Scholars so far. The M. Phil. Programme in Development Sociology was introduced in the year 1996 with an inter-disciplinary thrust and has produced more than 100 M.Phil. scholars.

The Department has organized many seminars, symposia and workshops focusing on marginalized communities and also conducted training programmes for the benefit of NGOs, Government organizations and Community Based Organizations (CBOs) in villages with funding support from UGC, ICSSR, MHRD, UNICEF and NFCH etc. As for extension programmes, the PG students have been involved in various kinds of rural reconstruction activities in the service villages of GRI, by adopting the approach of Micro Level Planning (MLP) and assignment of five families to each student to show result oriented extension services during the semester period for which students are to submit the report on extension services at the end of each semester. In addition, sensitization and awareness generation programmes with specific reference to social welfare are taken under the scheme of taking the University to the door steps of the villages by adopting the strategy of reaching the unreached. The extension based development intervention has been undertaken within the broad frame work of Millennium Development Goals (MDGs) and Providing Urban Amenities in Rural Areas (PURA) and Unnath Bharath Abhiyan (UBA). This exercise is undertaken to link the class room theoretical deliberations with practical field based learning for the students. The social lab/observatory technique adopted in the extension service has made the students to get involved practically in action research based micro level development planning oriented village development endeavors. The department has also facilitated the establishment of the Centre for the Study of Social Exclusion and Inclusive Policy in GRI with funding support from UGC in the year 2010 during X<sup>th</sup> plan period, initially at a cost of Rs.2 crores and later continued with increased financial support for pursuing inclusive growth through investigations, advocacies, seminars besides teaching, research, and extension activities.

## Department of Gandhian Studies and Sociology Centre for Women's Studies

### Profile

The Centre for Women's Studies was established on 25<sup>th</sup> September 2009. Recognizing its contribution in the development of women, the University Grants Commission has established a women's studies centre at GRI. The Centre for Women's Studies examines women's contributions to human societies as well as the effect of culture and society on women's lives. The department focuses on the conditions of women's lives, both in India and around the world, as well as the historical and theoretical explanations for these conditions. The Centre for Women's Studies also considers contemporary issues and trends that uniquely affect women and explore how the intersections of gender with factors such as race, social class, and sexuality can influence women's lives. The centre organized various awareness programmes, seminars and conferences apart from teaching, research and extension activities. All the activities are aimed at gender mainstreaming and elimination of gender bias in our society.

7.	Dr. P. Kalimuthu	Assistant Professor
8.	Dr. M. Seenivasa Perumal	Assistant Professor
9.	Dr. M. Arunachalam	Assistant Professor

## Thrust Areas of Research

- ❖ Surface Protection Strategies
- ❖ Nano Chemistry and Nanocomposites
- ❖ Supramolecular Chemistry
- ❖ Food Chemistry
- ❖ Environmental studies and Waste water treatment
- ❖ Dye Sensitized Solar Cells
- ❖ Superhydrophobic and Sol-Gel coatings
- ❖ Natural Products Chemistry
- ❖ Environmental Chemistry
- ❖ Polymer Composites
- ❖ Photodegradation of pollutants
- ❖ Corrosion Inhibition
- ❖ Synthetic Organic Chemistry

## Department of Biology

### Profile

The Department of Biology was established in 1978. It offers B.Sc. Microbiology, M.Sc. Botany, M.Sc. Zoology, M.Sc. Microbiology and PhD programmes in Botany Zoology and Microbiology. This Department has organized four Refresher Courses and has conducted many national level seminars & conferences. This Department organizes many Short Term Trainings and Consultancy programmes on Mushroom Technology, Vermitechnology and Spirulina cultivation to the rural poor through projects funded by DBT, UGC & CAPART, New Delhi. The vision of the department is to develop manpower, facilities and infrastructure in the field of Biological Sciences so as to become vibrant in teaching, research and extension. The missions are to offer programmes suitable for the prevailing conditions, to conduct training for the transfer of Biological Technologies, to promote application and value oriented research for rural development and to develop as an advanced centre for promoting Biological Sciences.

### Academic Programmes Offered

## Department of Home Science

### Profile

From the inception, the Department of Home Science offered a course on Diploma in Rural Services (DRS). When the institute became a Deemed University in 1976, the department introduced B.Sc. Home Science, M.Sc. Home Science Extension and Communication, M.Sc. Food Science and Nutrition, M.Phil and Ph.D programme. The Department has produced 35 Ph.Ds and at present 13 scholars are currently doing Ph.D on full time and part time basis, out of which seven of them are receiving fellowship from UGC. The Department has generated Rs. 46 lakhs through funded projects. The UGC has sanctioned Rs.51 lakhs for B.Sc. Textiles and Fashion Design under Innovative Programme for a period of five years from 2012 – 2017. The objective of the department is to produce able teachers, administrators and entrepreneurs, and to concentrate the community on nutrition and health. The Department also offers B.Voc. Footwear and Accessories Design, B.Voc. Food Processing and B.Voc. Food Testing and Quality Evaluation under DDU – Kaushal Kendra.

### Academic Programmes Offered

5.	Dr.A.Thahira Banu	Assistant Professor
6.	Dr.R.Sahul Hameed	Assistant Professor

### Thrust Areas of Research

- ❖ Nutritional Surveillance
- ❖ Food Processing and Preservation
- ❖ Women and Children Welfare
- ❖ Technical Textiles – Textile composite, Medical and Protective Textile
- ❖ Therapeutics and Nutritional Intervention
- ❖ Apparel Designing
- ❖ Children with Disabilities

# School of Computer Science & Technologies

## Department of Computer Science and Applications

### Profile

Established in the year 1996, the Department of Computer Science and Applications has emerged as a pioneer in imparting Higher Education on Computer Science among the rural students in this part of the country. The Department has highly qualified faculty members with rich experience in teaching and research. The Department offers two Master's programmes namely, M.C.A. and M.Sc.-IT that lead to rewarding careers opportunities. The department also offers a Ph.D. Programme since 2000. Presently, 17 scholars are pursuing their doctoral degrees and 37 scholars have been awarded so far. The thrust areas of research are Digital Image Processing, Medical Image Segmentation and Analysis, Parallel Computing, Object Recognition, MANET, Cloud Computing, Internet of Things, Network Security, Information Security and Bigdata Analytics. The Department also offers Courses on Computer Science for all UG and PG programmes of GRI. The faculty of the Department handle funded research projects by UGC, ICMR and DST and presently 3 funded projects to the tune of more than Rs. 2 Crores have been carried out. In recognition of its research credentials, the Department has received funds under UGC-Special Assistance Programme (Rs.41 Lakhs) and DST-FIST Level-I (Rs.45 Lakhs). To disseminate the knowledge on Computer Science & Information Technology, the Department has successfully organized one international conference, five national conferences, one national level workshop and a Refresher Course. As part of its extension activities, the Department promotes Computer Literacy and Education among the rural school teachers and students. It is also involved in devising and developing expert systems for rural development. The Department is a recipient of the UGC Indo-US Knowledge Initiative Award in 2015 with a funding outlay of Rs. 1.25 crores. The department is a lead zonal partner in the prestigious nationwide project leading india.ai in collaboration with Bennett University, New Delhi, Royal Academy of Engineering, UK under this initiative. The department consistently puts its best efforts to disseminate knowledge through periodic workshops and training programmes on the principles and practices of Artificial Intelligence, Machine Learning and Deep Learning among the academic and research community of GRI and beyond. The number of postgraduate students this year is 103 and the number of UG students is 164 for a total number of students is 267.

### Academic Programmes Offered

S.No.	Programme	Year of Introduction
1.	Ph.D.	2000
2.	Master of Computer Applications	1995
3.	B.Sc. Computer Science	2019

### Faculty Members with Designation

1.	Dr.P.Shanmugavadivu	Professor & Head
2.	Dr.P.Kalavathi	Professor
3.	Dr.M.Mary Shanthi Rani	Associate Professor
4.	Dr.S.Sivagurunathan	Assistant Professor
5.	Dr.T.Kalaiselvi	Assistant Professor
6.	Dr.N.Senthilkumaran	Assistant Professor

### Thrust Areas of Research

- ❖ Medical Image analysis
- ❖ Face Recognition
- ❖ Software Engineering
- ❖ Healthcare Data Analytics
- ❖ Parallel Computing
- ❖ Content-based Image Retrieval
- ❖ Digital Image Processing
- ❖ Internet of Things
- ❖ Medical Image processing & Analysis

## Centre for Rural Technology

### Profile

The Centre for Rural Technology was established in the year 1987 with a focus on promoting cost effective building technologies in rural housing with the following objectives:

- ✓ Develop appropriate / alternate habitat technologies and delivery systems.
- ✓ Collaborate with the government for habitat development through sustainable technology plans.
- ✓ Develop youth cadres for science & technology delivery and transfer.

A B.Sc. Rural Technology programme was started in 1994 and B.Sc. Sustainable Technology Management in 2002. It was upgraded to B.Tech. Civil Engineering programme from 2005 onwards.

### Academic Programmes Offered

S.No.	Programme	Year of Introduction
1.	Ph.D in Civil Engineering	2002
2	B.Tech Civil Engineering	2005

### Faculty Members with Designation

## Centre for Rural Energy

### Profile

The Centre for Rural Energy has been established in the year 1998. With support of Ministry of New and Renewable Energy, a Renewable Energy Park has been established in the year 2000. The UGC has sanctioned a Certificate Course in Energy Auditing in the year 2010. The Centre has been accredited by MNRE for the Solar Energy Technician Training programme in the year 2012. In the year 2015, the National Institute of Solar Energy affiliated GRI as a nodal centre for "Suryamitra Skill Development Programme". The Sector Skill Council for Green Job affiliation has been obtained in the year 2016. The MNRE accredited GRI as a nodal centre for MNRE-USAID PACE DTA programme from the year 2017. A Certificate of appreciation has been given by the Ministry for the Best Suryamitra Institute. The MNRE – NISE accredited Centre for Rural Energy, GRI, for organizing "Varunmitra Skill Development Programme" as well as "Solar Roof Top Grid Engineer Training Programme". GRI has been empaneled for implementation of iRISE - Indian Rooftop PV Installers Skilling and Employment (Upskilling Training of Suryamitra) programme, funded by the Deutsche Gesellschaft fürInternationaleZusammenarbeit (GIZ) GmbH (Germany's leading provider of international cooperation services) in the year 2022. GRI has been empaneled by National Institute of Wind Energy, Ministry of New and Renewable Energy for "Vayumitra Skill Development Programme" to train the ITI / Diploma & Engineering graduates on Wind Energy. The IIT Roorkee has shortlisted GRI for imparting training under "Jal Urja Mitra Skill Development Programme" funded by MNRE in the year 2022.

# Centre for Applied Geology

## Profile

The Centre for Applied Geology was created during the UGC XI<sup>th</sup> Plan period (2012). In 2012, the Centre for Applied Geology started offering PG Diploma in Applied Geology and Geomatics and Ph.D in Geology Programmes. In 2013, the PG Diploma course has been upgraded as M.Sc. Applied Geology and Geomatics with support under UGC innovative programme. Since 2018 onwards, the Centre started offering B.Sc. Geology and M.Phil. Geology Programmes. A certificate course on disaster mitigation and management is being offered from 2019-20 academic year onwards. Within a short span of time, the Centre for Applied Geology has mobilized about Rs.1.9 crores through sponsored research projects from University Grants Commission (UGC), New Delhi, Council of Scientific and Industrial Research (CSIR), New Delhi, Department of Science and Technology (DST), New Delhi, Anna Institute of Management (AIM), Chennai and Indian Space Research Organization (ISRO), Bangalore.

## Academic Programmes Offered

S.No.	Programme	Year of Introduction
1.	Ph.D	2012
2.	M.Sc. Applied Geology and Geomatics	2013
3.	B.Sc. Geology	2018

- ❖ Geo-energy Management
- ❖ Geological Eco System Based Development Plans
- ❖ Natural Disaster Mapping and Management

# School of Agriculture & Animal Sciences

## Profile

The School of Agriculture and Animal Sciences is one of the oldest faculties established in the year 1956 with a vision of rural development through the production of man power in agriculture and allied sectors. With this in view, the School of Agriculture and Animal Sciences is offering two major programmes in Agriculture viz., B.Sc. Agriculture (Hons.) and Diploma in Agriculture.

## Vision

- To develop the School of Agriculture and Animal Sciences as a national centre with regional focus winning reputation for academic excellence in Agricultural Education and Research that would catalyze knowledge based agricultural growth and development. Every student is inspired to learn and empowered to excel.
- To create, transmit and apply agriculture technology to ensure sustainability in agricultural production in this era of climate change for improving the quality of life of farming community of this region.
- To impart value based agriculture education and to generate agriculture graduates with ethical and moral values who will be change agents for Integrated Rural Development.

The thrust areas would also include Indigenous Knowledge, Better Farming and Farm Technology Transfer, Agro-Engineering and Organic Farming and Sustainable Agriculture.

## Academic Programmes Offered

S.No.	Programme	Year of Introduction
1.	Ph.D.	1993
2.	B.Sc. Agriculture	2012
3.	Diploma in Agriculture	1980

## Faculty Members with Designation

5.	Dr. G. S. Kannan	Professor & Dean
6.	Dr. M. Sundaramari	Professor
7.	Dr. A. Ramanathan	Professor

## Thrust Areas of Research

- ❖ Organic Farming and Sustainable Agriculture
- ❖ Crop Management and Nutrient management
- ❖ Indigenous Knowledge and Ethno-botany
- ❖ Animal Management

# Deen Dayal Upadhyay – Kaushal Kendra

## Profile

The University Grants Commission (UGC) has launched a specific scheme towards skill development education as part of college/university education, leading to award of Bachelor of Vocation (B.Voc.) Degree (three years). The programmes have multiple exits such as Diploma (one year), Advanced Diploma (Two Years) and Degree level (3 years) under the National Skill Qualification Framework (NSQF). In tune with the Government of India's skill mission, Deen Dayal Upadhyay Center for Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood (KAUSHAL) was established in GRI in September 2015. The B.Voc. Programme is focused on skill development of student youth in universities and colleges, providing undergraduate studies which would also incorporate specific job roles and their National Occupational Standards (NOS) along with broad general education. This would enable the graduates completing B.Voc. to make meaningful participation in accelerating India's economy by gaining appropriate employment, becoming entrepreneurs and creating a pool of manpower with skills.

## Vision

- Training rural youth through skill based vocational programmes

## Mission

- Developing skills in specific areas to meet the industrial needs
- Enhancing linkages between higher education and industries
- Serve as a finishing school through modular training programmes

## Academic Programmes Offered

S.No.	Programme	Year of Introduction
1.	B.Voc Farm Equipments Operation and Maintenance	2015
2.	B.Voc Footwear and Accessories Design	2015
3.	B.Voc Dairy Production and Technology	2017
4.	B.Voc Renewable Energy	2018
5.	B.Voc Food Processing	2018
6.	B.Voc Food Testing and Quality Evaluation	2018
7.	B.Voc Multi Media Production Technology	2018
8.	B.Voc Organic Agriculture and Enterprises Development	2018
9.	Diploma in Two Wheeler Mechanism and Maintenance	2015

## Faculty Members with Designation

S.No.	Name of the Faculty	Designation
1.	Dr. R.I.Sathya	Professor of Home Science & Director, Coordinator B.Voc. (FAD) / (FP) / (FTQE)
2.	Dr. M. Seethalakshmi	Professor & Coordinator, B.Voc. (DPT) / (FEOM)
3.	Dr. L. Raja	Professor & Coordinator, Dip. In TWMM
4.	Dr. T. Senthivel	Professor & Coordinator, B.Voc. (OAED)
5.	Dr. V. Kirubakaran	Associate Professor & Coordinator, B.Voc. (RE)
6.	Dr. R.Venkatarami	Coordinator, Community College & Coordinator, B.Voc. (MMPT)
7.	Dr.N. Palaniappan	System Analyst & Joint Coordinator, B.Voc. (MMPT)

## Thrust Areas of Research

- ❖ Creating technical manpower to meet industrial requirements
- ❖ Developing entrepreneurial skills to become entrepreneur
- ❖ Bio Fuel from Bio Wastes
- ❖ Alternative Fuels
- ❖ Create opportunities for self / wage employment
- ❖ HHO Generator – Mileage boosting for IC Engines
- ❖ Electric Cycle

## Dr.G.Ramachandran Library

### Profile

The Gandhigram Rural Institute Library was established in 1956 and it was moved to the present building in 1987. The Library is named after the Founder Vice-Chancellor Dr. G. Ramachandran and the plinth area of the Library is 14338 Sq.ft. It has more than 1.79 lakh books and it subscribes to 284 Indian journals in print. It has other documents like Theses, Dissertations, Project Reports and bound volumes. It has computerised circulation systems and provides OPAC facility to search and know the status of documents. KOHA Open Source Software integrated with RFID Technology, Kiosk and Drop Box devices are used for issuing and returning of books. The theses of the institutes are regularly updated to INFLIBNET – Shodhganga Portal.

The Institutional Repositories are created with Greenstone Digital Library Software for Ph.D Theses and Question Banks. The e-ShodhSindhu (Online Journals) and e-books facilities are provided to the users with remote access. A separate Digital Knowledge Centre with 40 computers are available for e-resources access.

## Physical Education and Yoga Centre

### Profile

The Department of Physical Education was established in the year 1976. Since inception, the department functions with the prime objective of creation of sports awareness among the students of GRI. Since most of the students hail from the remote villages of Tamil Nadu and other states, the department promotes sports culture among the students for the promotion of better sports standards. The department facilitates the students with training facilities in almost all major sports. Trained teams of GRI have made remarkable achievements in district, inter-university and state level competitions. The Yoga Centre has been functioning since 2002 which mends the young minds and promotes self discipline and yoga way of life through its programmes.

## Cell for Culture and Arts

- Traditional performance-oriented events were conducted to encourage students' imagination, creative ability and artistic expression.
- Frequent debates in evening classes for regional arts forms and skills for professional competence.
- The students are trained to relate the various regional art expressions, find the means to express them in national and international arenas.
- Exercises were given to incorporate learning in the social and cultural growth, igniting the learner to maximize the contribution as creative-beings and artistic.
- Assignments were given to explore the history and heritage of the region that could be detected in course of our experiment and induct these faculties within the purview of the School.
- Regular morning prayers and Friday inter-religious prayers are conducted to maintain discipline and harmony.

## National Service Scheme

The NSS (National Service Scheme) Cell in the Gandhigram Rural Institute (Deemed to be University) was started in the academic year 1979-1980. It has organized several programmes to tune the personality of the student volunteers to make them responsible for rural development. The unique feature of NSS in GRI is that all the students studying Diploma, Undergraduate, and Postgraduate (except for one-year programmes) are NSS volunteers. There are 19 NSS units in the GRI NSS Cell. Shramadhan, tree plantation on campus and in the adopted villages and blood donation to the people admitted to the Kasturba Hospital, Gandhigram and Government Hospital, Dindigul are regular features. Other important Regular Programmes organized from April 2022 to March 2023 were the celebrations and observations of the days of national importance (NSS day, International Yoga Day, Unity Day, Swachhata Pahkawada, Quit India Movement, etc.) personality development programmes for volunteers, rallies on social issues, training programmes on disaster management, skill development programmes, implementation of Swachh Bharat Mission in GRI, Youth Employment Skills Development Programme and awareness programmes on dengue prevention.

The NSS Cell of GRI has conducted 3 Special Camps during the year 2022-2023. These camps were conducted in the UBA villages of GRI. The detailed list of activities carried out under Regular Programme and Special Camps during the academic year 2022-2023 is presented in this consolidated report.

## Shanti Sena

Shanthy Sena, (Peace Corps) in GRI was founded in 1958. Since GRI has always been a testing ground for many Gandhian experiments, the founding father of GRI, Dr G. Ramachandran took upon himself the task of establishing within this institution of higher education a nonkilling alternative to military training – a Shanti Sena. Even when GRI, upon becoming a Deemed University, was presented with the choice to adopt National Cadet Corps (NCC), it chose to continue with Shanti Sena instead. By doing it, GRI became the only educational institution in the whole of the globe to have adopted this model.

Combining spiritual, physical, intellectual, and organizational training, the Shanti Sena prepared students for conflict resolution, security functions, disaster relief, and cooperative community service in response to community needs. The approach is always to work together with villagers to improve such things as childcare, sanitation, housing, and preservation of folk arts traditions. The Shanti Sena in GRI until recently assumed responsibility for campus security. No armed police were permitted on GRI campus or if permitted they used to play second fiddle to Shanti Sena, even during visits by Indian Prime Ministers Pandit Nehru, Mrs. Indira Gandhi, or Presidents Shri R. Venkatraman, Shri Abdul Kalam and other dignitaries. Besides providing security, when such dignitaries and prominent leaders visit the GRI campus, Shanti Sena remains at the forefront in according them floral tributes and grand welcome.

The six-decade long experience of Shanti Sena in GRI includes taking initiatives in peace building, promoting democracy and governance by conducting peace dialogues, inter-religious dialogues, youth exchange programmes, youth camps, leadership training programmes, sports for peace programmes and prohibition (abolition of arrack) in the neighbouring villages. They are actively involved in emergency relief, peace education, environmental conservation and providing community based health facilities in the rural areas nearby.

Every year, many students of the Institute volunteer to become part of Shanti Sena and carry rich experiences and fond memories with them when passing out from GRI.

### Short Term Course / Winter Camp for University Students on Gandhian Thought at Sevagram Ashram Prastishthan, Wardha, Maharashtra from 23<sup>rd</sup> to 27<sup>th</sup> December, 2022

We are very glad to share that three of our I year B.Ed students Mr. Sathishwaran, Raajashri, Sneha Priya got an opportunity to attend a Short term course on "Gandhian Thought for university students" at Sevagram Ashram Prastishthan, Wardha, Maharashtra. The course duration is from December 23<sup>rd</sup> to 27<sup>th</sup>. Today is the First day, started with course registration and Introducing among the participants. Followed by this we had inaugural session. Dr.Siby Joseph, Ddirector of Sevagram Ashram welcomed the gathering. The inaugural address was given by Mr. T.R.N. Prabhu. In his speech he said that we have to rethink nonviolence, the ecological balance and the climatic change and the initiation of Gandhian fraternity, secularism, Gandhian economy back to the society. Followed by that Mr.Chandhan Pal in his

inaugural address said that every one of us should take an oath that "Remove the evil from me" He also stated that everyone should introspect within ourselves and our thinking should be reflect in our action. Next to his speech the present President of the Ashram Mrs.Asha Ben gave a Presidential Address. In her speech she said that we need to promote Khadi and village Industry thereby we should bring back Gandhian Economy to our country. She also requested the participants to reflect on their urge of attending this program and the importance of youth in nation building. Finally Dr.John Chelladurai Professor from Mahatma University gave a vote of thanks. After Inaugural session we had a session by Dr.John Chelladurai on the two central philosophy of Gandhi. 1) Gandhi a central character in the history of Freedom a case study 2) Gandhian Philosophy and ideology. Followed by this session we saw a movie on Autobiography of Mahatma Gandhiji i.e. from his birth to death, the journey of the great soul. It was really inspiring movie. At last we have a discussion with the participants. With that the first program ends up. We had a safe travel and stay at the Ashram. Eagerly waiting to gain some more inputs from the upcoming days. At this juncture we thank our Secretary Anna Shri. V. Shivakumar you have given this great opportunity to experience and to learn to strengthen our process towards perfection and to sharpen our thoughts and minds and to be socially responsible citizen. Dr.M.Kalaivani is coordinating this program. On by own behalf I thank our Anna for given us a great opportunity to visit this holy land and to imbibe good values and thought for life.

Today is the second day of our short term program at Sevagram Wardha. The day started with a sarvodaya prayer at 6.00 a.m. After prayer we had a session by Mrs. Mala Ben from Ramachandra mission, Maharashtra and gave a talk on heartfulness of yoga & meditation. We practised and experienced the benefits of mediation. We also learned about the causes of stress and how to overcome stress in our life through meditation. She also rightly pointed out that mental strength is more important than the physical strength to lead a happy life which can be achieved through regulation and meditation. Later on we as a team indulged in Sramadhan activity and cleaned the entire campus. After sramadhan activity we had a session with Dr.John Chelladurai he spoke on "Truth & Nonviolence" He said according to Gandhiji he viewed freedom as a concept of Preventive and Curative. One of the curative measure is Satyagraha. The blue print of nation building is communal harmony. To understand Truth we need to understand the order, compliance and the law. Non Violence and Truth are two sides of a coin and it is the Supreme Methodology followed by Gandhiji to get freedom of our country. He also pointed out the three situations for the outbreak of aggression they are threat to life, to sustain, for procreation of life. Aggression is a natural phenomena which save us and gives extra energy for unusual situation leads to unusual action. He clearly explained all those concepts by giving many life examples. Followed by this we had a session with Mrs. Asha Ben the president of Sevagram Ashram. She spoked on gender discrimination, sarvodaya and significant events, Freedom movements and the way how Mahatma Gandhiji fought for our nation's freedom. She also requested the participants to do swot analysis to enhance their Personality, social responsibility and to strength their mental ability followed by her session we had a field trip. We visited charkhagriha here we saw the largest Chakra in the world, Museum constructed by Gandhiji,Vinoba Bhave, Ashram, the place where Jamnalal Bajaj spent his last days, kumarappa Kudal the expondend of Gandhian economy, all India Khadi and village Industry Association, Gandhiji's Asthi And Vinoba Bhave Asthi Samadhi in the river bank of Dham river at Wardha. We have got a chance to see solar clock at Vinoba Bhavae Ashram and interacted with Mr.Gautham Bajaj a disciple of Vinoba Bhavae who explained the Bhoomidhan movement and the length and breadth of the India travelled by Vinoba Bhave to save the poor landless people. This field trip helps us to witness that majority of the decisions were taken by the great leaders under the leadership of Gandhiji in Wardha. Later on at 6.00 pm we attended the sarvodaya prayer conducted in front of the piple tree planted by Gandhiji in 1936 inside the Sevagram Ashram. This piple tree stood as the great pilgrim heritage in the Ashram. Finally we had a Christmas eve celebrations. Mr T.R.N. Prabhu, Asha Ben conveyed their Christmas wishes to the students. Mr T.R.N Prabhu stated that in the Christmas celebration we have to think the sacrifice of Christmas a spiritual leader to the world. Students gave cultural programs. With that this day program ends.

Today the third day started with a sarvodaya prayer at 6.00 a.m. followed by the prayer we had heartfulness meditation. We practised Cleaning of undesirable thoughts and to retain desirable thoughts. Cleaning mind improves our focus, concentration and memory said Mrs.Mala Ben. After that we had a session on Peace walk inside the Sevagram Ashram premises. During this Peace walk Dr.John chelladurai explained the pancha bhutras sky, fire, water, Air and Land. He explained the philosophical

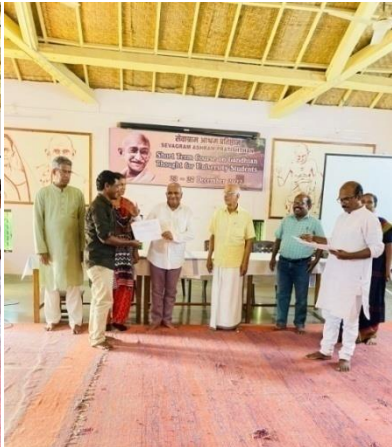

aspects of 5 elements and made us to understand that they are all within each one of us through experiential learning. This Peace walk made each of us to understand that destructing the panchabhutras is destructing our own life. Followed by this we had a session by Dr.Ravindra on "The misconceptions about Gandhiji". It was fully a discussion session in which we had discussions on the topic on views of Gandhiji about untouchability and caste discrimination and curriculum of Nai Talim Education. Next to that Dr.Vibha Gupta madam dealt with the Gandhian Science and Technology. In her speech she emphasized to cultivate Indigenous plants, to revive the lost indigenous Grass varieties and to do Indigenous cow breeding. She also said that health problems that are facing by us today such as infertility, obesity, diabetes etc are due to consumption of genetically modified crops. Growing and rearing of Indigenous varieties are emphasized by Gandhiji. Babu also emphasized to develop Technology that enhance Khadi production and involved himself in raising the population of honey bees there by to create the Gandhian economy the decentralized economy. Later Mr. Melin Nagupura explained the various stages in khadi production. Students also experience the spinning process using the Charkra. In his speech he said purchasing mill clothes should be avoided and we should move to wearing Khadi clothes because in mill cloth production the economy is centralized. Only the mill owners will get large sum amount whereas in khadi production the money will be equally distributed to all the workers starting from the farmers, spinners, weavers, dyers till the sales person therefore it is decentralized economy. Followed by this we had a session on "Message of Gandhiji's and Action in Wardha / Sevagram" by Dr.Siby Joseph. Then we had a session on Leprosy and Gandhiji by Dr. Garg from Mahatma Gandhi Health Insitute he explained the stigma about Leprosy among people right from its origin till today and how Gandhiji handled being a non medical Practioner and helped the lepers. It shows the humane quality of Gandhiji. Finally we had a group discussion with that the day ends.

Our fourth day of the camp started with the sarvodaya prayer at 6.00 a.m. After the prayer we had heartfulness mediation in which the concept of prayer was discussed and how to interconnect our soul with the Holy Spirit and experienced all the three aspects of mediation such as regulation, cleaning and interconnect. Then we had a session with Dr. Ravindra who explained the concept of RSS and Gandhiji' views on Hinduism. He said RSS is like a lens to understand Gandhiji's Hinduism. He said Gandhiji is a symbol of Truth and according to him Dharma is the way of living. Next Mr. TRN Prabhu spoke about sarvodaya. This concept was evolved in the minds of Gandhiji when he read Ruskin's book "Unto this Last". He said for many problems that exists in the world, the answer is Gandhiji. He also advised the students to create their life in their own way and to read many books on Gandhi. Followed by this we had a session on "Communal Harmony" by Dr.T.Ravichandran Professor from deparment of Gandhian thought, GRI. He discussed on the Gandhian Techniques and Methods for promoting communal harmony, 18 constructive works of Gandhiji. He said the ways to attain communal harmony is through Interfaith Prayer, Inter religious marriages, Shanthi Sena/ Peace corps, Padayatra and Fasting. He also addressed that Gandhiji is a Charismatic leader. Finally he said that let us always be a part of the solution and never be a part of a problem. Next to his session, we had a session on "Understanding Gandhi: A contemporary Perspective" by Dr. William Baskaran, Professor, from Department of Gandhian thought, GRI. He addressed on the concepts such as challenges before humanity, value degeneration & degradation, Narcissism, Inclusive in approach, Attitudes and behavior of people, values changes in the society, common problem & issues of the world at large. He stated that Gandhiji is a Integrated Leader not a political leader that's why he has been recognized as the father of Nation. Today we need transformation which can be attained by 4E's Education, Exposure, Experiment and Experience. Finally we had discussion session within the participants and with the experts with that today's program ends.

27.12.2022 is the last day of our program. We attended the early morning prayer at Babu's Kuti sevagram Ashram at 4.45 a.m. and prayer at the Prastishthan at 6.00 am. Followed by this we had Heartfulness meditation. Mrs Mala Ben revised the steps to be followed in meditation and how to ultimately connect our soul with the spiritual soul. Then we had discussion with Dr.John Chelladurai he thrown light on the concept of optimization. He said optimization is the way of life. He discussed on how food wastage increases starvation among the people. He advised the participants to think the process of food production right from the farmers to the food on our plate and asked to take an oath that we will not waste food and avoid pollution due to food wastage. Next we had session with Dr. Sunil Ganatra who spoked on Gandhiji and Science. He explained the correlation between Gandhian Philosophy and the science principles and rules. He explained how one can reach God with the help of Truth and Nonviolence with the help of law of thermodynamics. Later we had a valedictory function in which our

students gave their feedback, the president of Sevagram Ashram Prastishthan TRN Prabhu gave the Presidential Address and give away the certificates to the participants. With more energy, positivity, values, we will be in our campus and disseminate the learned knowledge on Gandhian Philosophy, values and ideologies be shared with our student.

## Krishi Vigyan Kendra

### Profile

KVKs are grass root level organizations meant for application of technology through assessment, refinement and demonstration of proven technologies under different 'micro farming' situations in a district.

Krishi Vigyan Kendra, Gandhigram, a technology transfer centre for Agriculture and allied areas like Horticulture, Animal Husbandry, Home Science and forest production, started functioning from 7<sup>th</sup> July 1989. This scheme was sanctioned by ICAR, accepting the proposal submitted by the School of Agriculture and Animal Sciences of the Gandhigram Rural Institute – Deemed University in the year 1987. The financial support is being given by the Indian Council of Agricultural Research, New Delhi. Our Kendra caters the needs of the farming community, Self Help Groups, Rural Youths, farmers produce organization and extension personnel of Dindigul District, through various programmes like trainings, On Farm Testings, Front Line Demonstrations and Advisory services. This Kendra has established various demonstration units with emphasis to exhibit the recent technologies in Agriculture, Horticulture, Animal Husbandry, and Home Science enterprises so that year-round income can be generated by the farming community.

### Mandated Activities:

- Conducting on-farm testing to identify the location specificity of agricultural technologies under various farming systems.
- Organizing frontline demonstrations to establish production potential of various crops and enterprises on the farmers' fields.
- Organizing need based training of farmers to update their knowledge and skills in modern agricultural technologies related to technology assessment, refinement and demonstration, and training of extension personnel to orient them in the frontier areas of technology development.
- Creating awareness about improved technologies to larger masses through appropriate extension programmes.
- Production and supply of good quality seeds and planting materials, livestock, poultry and fisheries breeds and products and various bio-products to the farming community.
- Work as resource and knowledge centre of agricultural technology for supporting initiatives of the public, private and voluntary sectors for improving the agricultural economy of the district.

## Glimpses of Celebrations at GRI

The 36<sup>th</sup> Convocation of Gandhigram Rural Institute – DTBU was held on 11<sup>th</sup> November 2022 for the students who passed their exams till 2020 as due to COVID, the Institute did not conduct the convocation for the past three years. The institute has got a facelift at this historic event as the Honorable Prime Minister of India Shri. Narendra Modi visited the Institute to deliver the Convocation Address. Though Gandhigram used to have such celebrities on earlier events and occasions, this convocation was of tremendous significance in the annals of the Institute. Apart from the Prime Minister Shri. Narendra Modi, the Honorable Governor of Tamil Nadu Thiru R. N. Ravi, the Honorable Chief Minister of Tamil Nadu Shri M. K. Stalin, and the Honorable Minister of State for Information and Broadcasting, Fisheries, Animal Husbandry and Dairying Dr. L. Murugan also graced the occasion. Dr. KM. Annamalai, Chancellor, GRI presided over the Convocation and honoured the Honorable Prime Minister of India Shri. Narendra Modi, Honorable Governor of Tamil Nadu Thiru R. N. Ravi, the Honorable Chief Minister of Tamil Nadu Shri M. K. Stalin with shawls and mementos. Prof Gurmeet Singh, Vice-Chancellor (Additional Charge) welcomed the dignitaries and the audience. While delivering the convocation address, Shri. Narendra Modi highlighted the contributions of Mahatma Gandhiji's disciples and the founders Dr.G.Ramachandran and Dr.T.S.Soundram Amma for the growth and development of the Institute. Shri. Narendra Modi also appreciated today's younger generation for their involvement in new research areas and innovative studies. In his address, the Chief Minister of Tamil Nadu Shri M. K. Stalin appealed to the Prime Minister to sanction funding for further growth in academics. During the convocation, the Prime Minister awarded Degrees and Diplomas, and also the Honoris Causa to Umayalpuram Sri. K. Sivaraman, Indian Musician and Sri. Illayaraaja, Music Director. Dr. V.P.R. Sivakumar, GRI, proposed the vote of thanks.

### Visit of Hon'ble Minister of Education

## Unnat Bharat Abhiyan

*"If we have to build the nation, we have to start from the village"*  
- Hon'ble Prime Minister Sri. Narendra Modi

Unnat Bharat Abhiyan is the flagship programme of the Ministry of Education with the intention to enrich rural India. The programme was formally launched by the Minister of Human Resource Development (MHRD) in the presence of President of India on 11<sup>th</sup> November, 2014. Unnat Bharat Abhiyan 2.0 was launched by Shri Prakash Javadekar on 25<sup>th</sup> April 2018. The Vision and Mission of UBA are as follows:

### Vision

Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India.

### Mission

The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

The Gandhigram Rural Institute formally submitted its application as one of the participating institutes under UBA in March 2018. Initially nine hamlets where GRI crèches are functioning were mentioned as adopted villages of UBA. In order to have a cluster approach and for easy accessibility, five panchayats in Athoor block surrounding Gandhigram were selected as UBA adopted villages from January 2023. All the UBA programmes were planned and organized in these panchayats.

### Training Programme on “Computer Hardware and Maintenance” from 27.06.2022 to 01.07.2022 at USIC, GRI

Under Unnat Bharat Abhiyan, two Rural Digital Knowledge Hubs were established at Thoppampatti and Kottaipatti in May 2022. While establishing Rural Digital Knowledge Hubs in villages, a need was felt to train the youth in Computer Hardware and Maintenance. That demand was expressed by youth from various sectors. Hence this training programme was organized. Four persons with disabilities also participated in the programme. Four graduates those who are running computer centres also attended the programme and expressed the programme was highly useful to them and they need not spend for maintenance of computers. Youths from Kallikampatti and Thoppampatti panchayats also underwent this training programme. They will be trained further to maintain the computers in Digital Knowledge hubs. The Vice Chancellor i/c, Dr.T.T. Ranganathan, inaugurated the programme and Dr. G.Muralidharan, Registrar i/c, distributed the certificates to the trainees. Dr.M.Muthukumar and Dr.K.Dhevan coordinated the programme.

**Career Guidance for Higher Secondary Students on 18.08.22 & 10.09.22 at Thambithottam Hr. Sec. School and Sevikashram Hr. Sec. School, Gandhigram**

Teenage decisions can have long-term consequences on people's lives and employment counsellors must assist teens in selecting the education and employment choices that are most likely to meet their aspirations and hopes. Realising this need, the administration of Thambithottam Higher Secondary School requested UBA to provide career guidance to their higher secondary students in maths / science / arts stream.

Dr.S.Kavitha Maithily, coordinator UBA, along with the executive members Dr.A.Thahira Banu and Dr.T.Kalaiselvi gave a lecture on career guidance at 18.08.2022. Initially Dr.S.Kavitha Maithily, explained the preparation and planning needed for higher studies. Dr.A.Thahira Banu highlighted the courses available in each stream and the colleges offering that course. Dr.T.Kalaiselvi stressed on the various entrance exams conducted by government and government institutions and the modalities of applying for it. The students got their doubts clarified and expressed that they will study with a focus and will get ready to qualify themselves for higher education. Dr.A.Thahira Banu and Er.B. Santheevani conducted an interactive session with the students of Sevikashram school which helped them to find their interests. Students clarified their concerns and doubts about their passion and higher education.

**Poshan Abhiyan 2022 - Nutrition Month Celebration on 21.09.2022 at Kalikampatti**

On 'Poshan Abhiyan 2022', the Unnat Bharat Abhiyan of GRI organized a Food Exhibition at the Primary School in Kalikampatti.

Competitions on millet based snack preparation was also organized for Self Help Group members. These programmes were organized in coordination with ICDS. The ICDS workers, Panchayat president, school teachers and children, SHG members, and students of the Department of Home Science participated in the programme.

Also a quadrangular meet was conducted with Panchayat officials, ICDS officials, Faculty of Department of Home Science and SHG members in order to formulate strategies to create a 'Malnutrition Free Panchayat'. As a follow up activity, ICDS officials invited Dr.A.Thahira Banu to deliver an online lecture to the mothers of malnourished children in Athoor Block. Students of Home Science also visited the homes of malnourished children and educated the mothers about hygiene and nutrition. Dr.A. Thahira Banu coordinated the programme.

**Organised Balashanti Sena on 29.10.2022 at Thoppampatti**

Shanthy Sena is an organization or group that promotes peace and non-violence. "Shanthy" means peace in various languages spoken in South Asia, such as Hindi, Tamil, and Sinhala. "Sena" means army or force. So, "Shanthy Sena" can be loosely translated as "Peace Army" or "Peace Force." Bala Shanthy Sena is the peace army of school children who are the future of our country. Bala Shanthy Sena will nurture children to behave in society and teach them how to be responsible towards social issues. Realising the importance of peace building among the children UBA, GRI has organized Balashanti Sena among children of Valayapatti Children in October 2021. Faculty and students are visiting them monthly and training them in personal well being, non-violence and local administration. In continuation with that another Balashanti Sena was inaugurated at Thoppampatti on 29.10.2022. **Organised Toy Drive 2023 on 06.01.2023 at Valayapatti and Chettiyappatti**

Unnat Bharat Abhiyan and Department of Home Science organized the 'Toy Drive 2023' to help the children in our service villages. The objective of the programme is to collect the new or used toys from the students and faculty of GRI and distribute it to crèches in our service villages. This programme

helps to make the toys accessible to deprived children, promote sharing quality among children, encourage the concept of reuse and enable rural children to play with toys.

On 06.01.2023 the Toy Drive programme was inaugurated at the Bell Maidan. Dr.K.S.Pushpa, Head, Department of Home Science, welcomed the gathering. Dr.V.P.R. Sivakumar, Registrar, GRI, inaugurated programme by donating toys and appreciated the initiatives taken by the students to organize this programme. Dr. K.Ravichandran, Coordinator, RCI-UBA, delivered the felicitation address and Dr.S. Kavitha Maithily, Coordinator UBA, proposed the vote of thanks. A box was kept in the bell maidan during the working days in January and February' 23. Those who are willing to donate could drop the toys in the box. Around 100 toys like balls, soft toys, puzzles, and dolls were collected. Ms. K.Kaviya and Monisha of II M.Sc. Home Science Extension coordinated the programme. Those toys were donated to two crèches in Valayapatti and Chettiappatti. Dr.G.Muralitharan, Member, Board of Management distributed toys to teachers of the creche in the presence of Dr.L.Raja, Dr.K.S.Pushpa and Dr.R.Venkatravi.

### Honouring Panchayat President of Chettiappatti on 10.02.2023 at Board Room, GRI

Chettiappatti Panchayat is one of the adopted villages of UBA. During the Republic Day celebrations on 26.01.2023 this panchayat was declared as the best panchayat in Dindigul District. The Coordinator requested the Director, Centre for Rural Energy, to do the needful.

## Solid Waste Management at Kalikampatti Panchayat - Discussion with Sanitary Workers on 18.02.2023 at Kalikampatti

Waste management is intended to reduce the adverse effects of solid waste on human health, the environment, planetary resources, and aesthetics. Solid waste management has stages like collecting, treating and disposing of solid material that is discarded because it has served its purpose or is no longer useful. Improper disposal of municipal solid waste can create unsanitary conditions, and these conditions in turn can lead to pollution of the environment. During the Gram Sabha meetings, people stressed the need for proper solid waste disposal in their villages. UBA agreed to provide technical guidance in Solid Waste Management. In this regard, Dr.S. Kavitha Maithily, Er. Sangeetha Vani, Dr.K.Devan and Dr. M. Muthukumar visited Kalkampatti panchayat to find out the viability of setting up of Vermi compost pits. UBA executive members conducted a discussion about the solid waste management techniques and implementation methods with sanitary workers and president in Kalikampatti. Based on the discussion, the executive members decided to submit a SEG proposal to UBA on solid waste management.

## Virtual Workshop on Orientation for CUET on 07.03.2023 by Google Meet

Common University Entrance Test (CUET) is a national-level entrance test offering admission to UG, PG and integrated programmes in 54 Central and more than 80 universities across India. This exam is computer-based test and it has been implemented from year of 2022. Admission in GRI is done only through CUET exam. But the students in rural areas are not aware of that and they need guidance in applying the exam through online.

In order to help more rural students to apply for CUET, UBA GRI organised a Virtual Workshop on orientation for CUET on 07.03.2023 at 11:00 a.m. The school teachers, higher secondary students and parents attended the workshop through Google Meet and YouTube.

Dr. S. Kavitha Maithily, Coordinator UBA delivered the welcome address and explained the purpose of the workshop. Dr.R.Uthayakumar, Professor & Head, Dept. of Mathematics and Director (Academic), Gandhigram Rural Institute, and Dr.G.Baskaran, Professor & Dean, School of English & Foreign Languages and Nodal Officer - CUET, Gandhigram Rural Institute served as the resource persons. The procedure for filling and uploading the application was explained. Also tips were provided to prepare for the CUET exam. The students also got their doubts clarified. UBA also took initiative to assist the students of Thambithottam and Sevikashram students in applying for CUET exam. Around 250 students got benefitted through the workshop. Dr.M.Muthukumar, Executive member, UBA coordinated the programme.
