3. Mr. T. David Jeyaraj Franklin, Assistant Professor, Faculty of English & FL, GRI
4. Mr. R. T. Balamurali, Assistant Professor, Rural Technology Centre, GRI
5. Dr. P. Muthukumar, Assistant Professor, Department of Mathematics, GRI
6. Dr. B. Senthil Kumar, Assistant Professor, Department of RIM, GRI
7. Dr. P. S. Sreedevi, Assistant Professor, Department of Education, GRI

An Orientation programme on GBFS, as prescribed by NASSCOM was given to 124 final year students of various departments like Mathematics, Physics, Chemistry, B.Tech Civil Engineering, Rural Industries and Management, and Cooperation in our institute on 31st August 2017. It was followed by an Entrance Test and 76 students were shortlisted for training on the same day.

The training programme was conducted between 05-09-2017 and 09-11-2017. The classes were scheduled during 05.00 PM - 06.00 PM. The students were trained on Communication and Soft skills, Analytical skills, computer skills and Placement preparedness. The members of GBFS Training Cell were the resource persons for this programme.

The post-training evaluation test was conducted on 09-11-2017 for the participants. The overall performance of the participants was very good.

The valedictory function of the training programme was held on 15-12-2017. Professor Dr.S.Natarajan, Vice Chancellor, of our institute had consented to preside over the function and distributed the participation certificates. The Feedback given by the participants were quite encouraging.
