

TWO DAYS INTERNATIONAL CONFERENCE

on

“Sustainable Management Practices - Past and Present”

22 - 23 March 2025

Organised by

Department of Rural Industries and Management

School of Management Studies

The Gandhigram Rural Institute

(Deemed to be University)

Gandhigram - 624 302,

Dindigul, Tamil Nadu, India.

About the Institute

Gandhigram Rural Institute (GRI), founded by two dedicated disciples and contemporaries of Mahatma Gandhi, Dr.G.Ramachandran and Dr.T.S.Soundaram Ramachandran, has as its foundation Mahatma Gandhi's revolutionary philosophy of Nai Talim, which effectively bridges the cognitive and practical dimensions, and focuses on the holistic development of learners, with an emphasis on skill development through value-based education, rooted in indigenous cultures and traditions. Since its establishment in 1956, GRI has been unstintingly contributing to higher education and has successfully pioneered rural higher education.

About the Department

Department of Rural Industries and Management is one of the oldest Departments in Gandhigram Rural Institute. It was established in the year 1956 as a training centre in rural industries for preparing and training man power in techno-managerial cadres. Then it became a centre for Higher learning in rural industries. The Department is unique in the university system as it offers programmes related to Rural Industries and Management, which are quite inter disciplinary in nature. The programmes of the department deal with industrial processing and technology, Studies on functional areas of management and conducting research in enhancing overall performance of rural / small scale industries.

About the Conference

The 2030 Agenda for Sustainable Development, adopted by all United Nations (UN) members in 2015, created 17 world Sustainable Development Goals (SDGs). The aim of these global goals is "peace and prosperity for people and the planet" [1][2] – while tackling climate change and working to preserve oceans and forests. The SDGs highlight the connections between the environmental, social and economic aspects of sustainable development. Sustainability is at the center of the SDGs, as the term sustainable development implies. The short titles of the 17 SDGs are: No poverty (SDG 1), Zero hunger (SDG 2), Good health and well-being (SDG 3), Quality education (SDG 4), Gender equality (SDG 5), Clean water and sanitation (SDG 6), Affordable and clean energy (SDG 7), Decent work and economic growth (SDG 8), Industry, innovation and infrastructure (SDG 9), Reduced inequalities (SDG 10), Sustainable cities and communities (SDG 11), Responsible consumption and production (SDG 12), Climate action (SDG 13), Life below water (SDG 14), Life on land (SDG 15), Peace, justice, and strong institutions (SDG 16), and Partnerships for the goals (SDG 17).

Objectives of the Conference

The conference focuses at addressing the issue of Sustainable development and more specifically aims to achieve the following:

1. To deal a public stage for the experts, scientists and academicians to share their scholarly skill and examination insight;
2. To energize and inspire youthful maturing research researchers to grasp the complexities of Economical turn of events and embrace the difficulties of chipping away at this worldview.
