

**INTERNATIONAL WORKSHOP &
INTERNATIONAL CONFERENCE
ON
MATHEMATICAL TECHNIQUES FOR
MACHINE LEARNING AND QUANTUM
COMPUTING
(IWCMLQC-2024)**

02 – 07 DECEMBER, 2024

Jointly organized by

**Department of Mathematics,
The Gandhigram Rural Institute (GRI)
(Deemed to be University),
Ministry of Education, Govt. of India,
Gandhigram – 624 302, Dindigul,
Tamil Nadu, India.
(International Workshop,
02 – 04 DECEMBER, 2024)**

and

**Department of Mathematics,
Cochin University of Science and Technology
(CUSAT), Kochi,
Kerala, India.
(International Conference,
05 – 07 DECEMBER, 2024)**

**In connection with
NATIONAL MATHEMATICS DAY-2024**

ABOUT GRI

The GRI, founded by two dedicated disciples and contemporaries of Mahatma Gandhi, Dr. G. Ramachandran and Dr. T. S. Soundaram Ramachandran, has as its foundation Mahatma Gandhi's revolutionary philosophy of Nai Talim, which effectively bridges the cognitive and practical dimensions, and focuses on the holistic development of learners, with an emphasis on skill development through value-based education, rooted in indigenous cultures and traditions. Since its establishment in 1956, GRI has been unstintingly contributing to higher education and has successfully pioneered rural higher education. The curricular model developed at GRI organically integrating teaching, research, and extension has earned the Institute, the status of Deemed University in 1976 by UGC, the five-star status by NAAC in 2002, 'A' Grade during the re-accreditation in 2010 by NAAC and 'A' Grade in its third cycle of reaccreditation in the year 2016.

**About Department of
Mathematics, GRI**

The Department of Mathematics was established in 1965 at the GRI, Tamil Nadu. The major research fields being carried out in this department are stability problems of dynamical systems, including neural networks and intelligent systems, fractal theory and its applications, fuzzy clustering in medical images, optimization in marketing related problems, control theory, graph theory, algebraic graph theory and quantum computing algorithms. The department has published more than 755 research articles in SCI journals with SCOPUS citations of more than 12283. Funding for research and development is provided by UGC, NBHM, CSIR, DST-FIST and SERB continuously for the past 17 years to the faculty members. As a result of consistent performance in research, the department was upgraded with UGC-SAP (DSA-I). International-level research collaborations are being

undertaken with Deakin University, Australia, Institute of Mathematical Sciences, University of Malaya, Malaysia, Nanyang Technological University, Singapore, Yonsei University, South Korea, United Arab Emirates University, UAE, University of Texas at Arlington, Texas, USA, Pusan/Kunsan National Universities, South Korea. So far, the department has successfully conducted ten international conferences, two international workshops and one national workshop.

ABOUT CUSAT

CUSAT was initially constituted as the University of Cochin through an Act of Kerala Government on 10th July 1971. The CUSAT in February 1986, redefining its objectives as "Promoting Graduate and Post-Graduate studies and Advanced Research in Applied Sciences, Technology, Industry, Commerce, Management and Social Sciences." CUSAT is now a world-ranking university with the specific purpose of developing higher education, emphasizing post-graduate studies and research in applied science, technology, industry, humanities, and commerce. CUSAT has consecutively been figured in the times higher education world ranking since 2017. The times ranks around 1500 best universities worldwide annually with around 60 universities from India out of 967. CUSAT has also found a place in the QS World University Ranking and the National Institutional Ranking Framework (NIRF) of the Indian Government.

**About Department of
Mathematics, CUSAT**

The combined Department of Mathematics and Statistics came into existence in November 1976, with the major objective of developing it to a Centre of Excellence in this region in Mathematical sciences and applications and to provide facilities for training, study and research in these areas. This department was bifurcated to form an independent department of Mathematics on 1st January, 1996. The department offers an M.Sc. Degree programme, M.Phil. programme in Mathematics and Ph.D.

programmes. The students generally take up teaching positions or opt for research. Our students find admission to Ph.D. programmes offered in various National Institutes such as IITs, IMSc, ISI, TIFR etc. Apart from giving instruction in post graduate courses, the department has from the very beginning taken the leadership in promoting research in Mathematics and its applications, especially in this part of the country. This was realized in a two-fold way one, by guiding young researchers to do their doctoral work and two, by conducting extension programmes which will improve the instruction at the school and college levels and encourage youngsters to take up research.

ABOUT IWCMLQC-2024

The International Workshop & International Conference on Mathematical Techniques for Machine Learning and Quantum Computing (IWCMLQC-2024) aims to bring together professors, researchers, scholars, and students to exchange knowledge, discuss the latest advancements both in the fields of machine learning and quantum computing, foster collaborations, and explore new avenues of mathematical research. This workshop aims at providing a forum for members of the research and academy. It enables the participants to understand the recent technologies in quantum computing, machine learning and its applications. Quantum computing techniques have formed an explosion of research methodology in quantum data science. The sessions include both the discussion of quantum computing and machine learning techniques in real time applications and the challenge to apply practically. The sessions also include hands on training on domains like quantum algorithms, optimization, predictive modelling and machine learning techniques. We hope that the outcome of IWCMLQC-2024 will lead to a significant contribution to the knowledge base in these up-to-date scientific fields.

ORGANIZING COMMITTEE

International	
Workshop	Conference
Chief Patron Dr. N. Panchanatham Vice-Chancellor The Gandhigram Rural Institute-DTBU	Chief Patron Dr. M. Junaid Bushiri Vice-Chancellor (i/c) Cochin University of Science and Technology
Patron Dr. L. Rathakrishnan Registrar (i/c) The Gandhigram Rural Institute-DTBU	Patron Dr. Arun A. U. Registrar Cochin University of Science and Technology
Convenor Dr. P. Balasubramaniam Senior Professor Dept. of Mathematics, GRI-DTBU	Convenor Dr. Sasi Gopalan Professor Dept. of Mathematics, CUSAT
Joint-Convenor Dr. R. Uthayakumar Senior Professor & Head Dept. of Mathematics, GRI-DTBU	Joint-Convenors Dr. Shery Fernandez Professor & Head Dept. of Mathematics, CUSAT
Organizing Secretary Dr. G. Nagamani +91 97895 19104 Associate Professor Dept. of Mathematics, GRI-DTBU	Organizing Secretary Dr. Tanushree Pandit +91 89604 19388 Assistant Professor Dept. of Mathematics, CUSAT
Organizing Team Members Dr. G. Mahadevan Dr. P. Muthukumar Dr. R. Rajkumar Dr. M. Suresh Kumar Dr. M. Sankaranarayanan Dr. D. Sharmila Dr. A. A. Navish	Organizing Team Members Dr. Aparna Lakshmanan Dr. A. Noufal Dr. V. B. Kiran Kumar Dr. Ambily A. A. Dr. Tathagata Banerjee Dr. Shankar P Dr. Linu Pinto

Dr. K. S. Jenavee Dr. D. Vinodh	Dr. A. Vijaykumar Dr. P. G. Romeo Dr. K. P. Naveenachandran
--	--

Advisory Committee Members

Dr. Chao Zhang, Shanxi University, China
 Dr. Chee Peng Lim, IISRI, Deakin University, Australia
 Dr. Tan Chee Pin, Monash University, Malaysia
 Dr. Sunil Jacob John, NIT Calicut
 Dr. S. Ponnusamy, IIT Madras
 Dr. R. P. Thangavelu, Chief Scientist, CSIR
 Dr. R. Balasubramanian, Former Director, IMSC
 Dr. M. Sithartha Muthu Vijayan, Senior Scientist, CSIR
 Dr. Viswanathan Puthan Veedu, IIT Delhi
 Dr. Awadhesh Prasad, Delhi University
 Dr. Bindu Krishnan, IBM Kochi
 Dr. T. Baiju, Manipal Institute of Technology
 Dr. S. Alam, IIST Kolkata

INVITED SPEAKERS

Dr. Enrique Zuazua
 Friedrich Alexander University, Erlangen, Germany
Dr. Kurunathan Ratnavelu,
 UCSI University, Malaysia
Dr. Dafik D
 Universitas Jember, Indonesia
Dr. Binayak S. Choudhury
 IEST, Shibpur, India
Dr. Anke Meyer Baese
 Florida State University, USA
Dr. P. Raveendran
 Monash University, Malaysia
Dr. R. Raja
 Alagappa University, Karaikudi, India
Dr. Sayooj Aby Jose
 Seoul National University, South Korea.
Dr. Tanmoy Som
 IIT Banaras, India
Dr. C. Vijayalakshmi
 Central University of Tamil Nadu, Thiruvavur, India

Dr. M. Lakshmanan

Bharathidasan University, Trichy, India

Dr. Ritajit Majumdar

IBM Quantum, Bengaluru, India

Dr. Raju. K. George

IIST, Trivandrum, Kerala, India

Dr. Sanjeev Kumar

IIT Roorkee, Roorkee, India

Dr. Arya Kumar Bedabrata Chand

IIT Madras, Chennai, India

Dr. Farhan Musanna

Thapar Institute, Patiala, Punjab, India

Dr. S. Sumitra

IIST, Trivandrum, Kerala, India

Dr. Joydeep Dutta

IIT Kanpur, Uttar Pradesh, India

Mr. Sahil Athrij

NVIDIA, California, USA

Dr. T. S. L. Radhika

BITS Pilani, Hyderabad Campus

Mr. Rohit T. P

CUSAT, Kochi, Kerala, India

CALL FOR PAPERS

Topics of interest include, but are not limited to:

- ✦ Quantum Computing
- ✦ Dynamical Systems
- ✦ Quantum Control
- ✦ Quantum Optimization
- ✦ Optimization Techniques
- ✦ Image Processing
- ✦ Fractional Calculus
- ✦ Quantum Graphs & Networks
- ✦ AI & Machine Learning
- ✦ Neural Networks
- ✦ Quantum Fractals
- ✦ Fuzzy Sets & Systems

ABSTRACT SUBMISSION

Authors are invited to submit abstract of the paper, which

must describe previously unpublished work and may not be submitted concurrently to another conference with refereed proceedings or to a refereed journal. Only accepted and registered papers will be allowed to be presented at this conference. The details of the preparation and submission of the abstract and full paper can be found on the conference website. Those who want to publish the papers after peer reviewed process must submit the full paper before the due date.

PUBLICATIONS

After the peer review process, the selected full-length papers based on originality, novelty and suitability will be recommended for possible publication in ANY ONE of the following without any publication charges.

- Springer Proceedings (SCOPUS)
- Philosophical Magazine: Part C (SCI)
- Conference Proceedings with ISBN

REGISTRATION FEE

Category	Workshop	Conference	Both
Faculty / Industrialists	1500/-	3500/-	4500/-
Full Time Research Scholars	1000/-	2500/-	3000/-
Part Time Research Scholars	1250/-	3000/-	3750/-
Students	500/-	1500/-	1500/-
Participation Only	-	1250/-	-

ACCOMMODATION

A limited number of accommodations for the participants will be arranged for both workshop and conference at GRI and CUSAT respectively on a payment basis/ free of cost based on the availability of grants on prior request.

IMPORTANT DATES

Last Date for Abstract Submission : 21.11.2024

Last Date for Full Paper Submission : 21.11.2024

Last Date for Registration : 25.11.2024

There is no further extension of dates

CONTACT DETAILS

International Workshop:
