### **About the University**

The Gandhigram Rural Institute (GRI), founded by two dedicated disciples and contemporaries of Mahatma Gandhi, Dr.G.Ramachandran and Dr.T.S.Soundaram. Since its establishment in 1956, GRI has been unstintingly contributing to higher education and has successfully pioneered rural higher education. The participatory and decentralized governance of Gandhigram Rural Institute strives for achieving global standard of excellence in all the dimensions of education without compromising on its rural character and Gandhian values.

### **About the Centre**

The Centre for Futures Studies was established in 1989 to promote research in multi-disciplinary areas relevant to Rural Development. The centre has undertaken M.Phil. / Ph.D. / Project research in the field of Futures Studies, Women's Studies, Sociology, Environmental Studies, Human Resource Management, Agricultural Economics, etc. Future Studies is a multi-disciplinary / trans-disciplinary field where a holistic and futuristic perspective of overall development is evolved. Future Studies is not the prediction of the dreams of the next century. It is a useful concept to consider the possible, probable and feasible actions needed for the future development and their impacts in multi-disciplinary outlook.
