Subject: Association of Indian Universities (AIU)| CII Smart Manager Certification Programme

Date: 09/03/2021 06:07 PM

From: Sabitha Sankaran <sabitha@globalgyan.in>

To: "registrar@ruraluniv.ac.in" <registrar@ruraluniv.ac.in>

Dear Vice- Chancellor/Registrar,

I am writing on behalf of the AIU-CII Smart Manager Programme team. The certification programme was launched by AIU for students across Universities and Colleges in India to provide the necessary professional skills which corporates look for during placements or recruitment drives, and this programme is also viable alternative to internships with measurable learning outcomes.

AIU realised the need for an industry grooming of students via an online internship program during these COVID times and hence came up with the Certification Programme which is endorsed by the esteemed industry body of India- CII (Confederation of Indian Industry).

Since the roll out of the programme from AIU in last week of July 2020, students from universities across India have started their learning digitally. More than 1000+ students from Alagappa University, Manipal University, MGM University and many more has already enrolled up for the certification programme.

AIU has also asked to assign a dedicated SPOC for the roll out of the programme amongst the students and get them on-boarded on the course.

In case, you haven't received the official letter from AIU, I am hereby attaching the letter and the link :

<https://www.aiu.ac.in/documents/index/announcement/AIU-CII%20Smart%20Manager%20Program.p>  
[1] to help you to roll out the same to the students.

The students can express their interest by responding to this AIU - CII Smart Manager Programme Form <https://forms.gle/FF16CLVGCLbmQqEy8>

For Further Details you can also visit :
