Report of Action Taken on Curriculum Feedback (AY 2020-2021)

Following the analysis of feedback and guidance from authorities, we have implemented several steps to restructure and remodel the curriculum for the benefit of students.

Stakeholders Feedback Report:

- Students (3.67) appreciated the curriculum's real-life relevance, and teachers (3.68) highlighted the structure's effectiveness.
- Alumni (3.70) focused on employability, and parents (3.70) noted improvements in knowledge.
- Employers (3.38) valued soft skills but suggested improvements in technical knowledge.

Suggestions: Need for more modern educational tools and better communication regarding teaching methodologies and career support.

Action Taken:

- ✓ Introduced a series of guest lectures by industry professionals, alumni and subject experts from diverse sectors to provide students with real-world insights and practical knowledge. These sessions give a wider exposure on the emerging trends and case studies from industry practices.
- ✓ Increased the use of case studies, simulations, and collaborative projects with external organizations. These activities bridge theory and practice, enabling students to solve real-world problems and gain practical experience.
- ✓ Integrated teamwork, leadership, and emotional intelligence into the curriculum through group projects, role-playing activities, and dedicated workshops. These activities are aimed at developing essential interpersonal skills for a positive and productive workplace environment.
