## Report of Action Taken on Curriculum Feedback (AY 2023-2024)

Guided by feedback analysis and the recommendations of authorities, we have adopted measures to restructure and remodel the curriculum to improve student outcomes.

### Stakeholders Feedback Report:

- Stakeholders, including students (3.69), alumni (3.70), and employers (3.70), gave consistent ratings, appreciating curriculum relevance to the expectations.

**Key Concerns:** Expand academic flexibility and Enhance industry exposure, real-world challenges, and technical knowledge.

### Action Taken:

- ✓ Streamlined the curriculum to eliminate redundancies and improve the alignment of course objectives across semesters, resulting in a more engaging and continuous learning journey for students.
- ✓ Partnered with online learning platforms to offer continuous learning opportunities, where all the students can have opportunity to enrol for courses in areas like artificial intelligence, cybersecurity, and leadership, digital marketing, e-commerce organic farming at their own pace.
- ✓ Enhanced the career development programs with a focus on continuous professional growth, offering workshops on adaptability, communication, and problem-solving to help students stay competitive in the job market.
